where:

"d" is the number of calendar days in the relevant Party B Floating Calculation Period;

"d₀" for any Party B Floating Calculation Period, is the number of London Banking Days in the relevant Party B Floating Calculation Period;

"i" is a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Party B Floating Calculation Period;

"London Banking Day" or "LBD" means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

the **SONIA reference rate**, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (**SONIA**) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors (on the London Banking Day immediately following such London Banking Day); and

"SONIA_{i-5LBD}" means, in respect of any London Banking Day falling in the Observation Period relating to the relevant Party B Floating Calculation Period, the SONIA reference rate for the London Banking Day falling five London Banking Days prior to the relevant London Banking Day "i".

If, in respect of any London Banking Day in the Observation Period in respect of the relevant Party B Floating Calculation Period, the Calculation Agent determines that the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be: (i) the Bank of England's Bank Rate (the **Bank Rate**) prevailing at the close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event (a) the Bank of England publishes guidance as to (i) how the SONIA reference rate is to be determined or (ii) any rate that is to replace the SONIA reference rate, and/or (b) the SONIA reference rate cannot be determined in accordance with the foregoing provisions, then, in each case, the Calculation Agent shall adopt the same methodology to determine the SONIA reference rate in respect of the

relevant Party B Floating Calculation Period as is used by the Principal Paying Agent (or such other party responsible for calculation of the Rate of Interest, as specified in the applicable Final Terms) to determine the SONIA reference rate for the purposes of the Covered Bonds in respect of the corresponding Interest Period of such Covered Bonds (in the case of (a) above, for so long as the SONIA reference rate is not available or has not been published by the authorised distributors).

Party B Floating Amount Spread: 0.5350 per cent per annum.

Party B Floating Rate Day Count Fraction: Actual/365 (Fixed).

Party B Floating Amount Reset Dates: The first day of each Party B Floating Calculation Period.

Initial Exchanges:

Final Exchanges:

Final Exchange Date: (i) The Final Maturity Date in respect of the Covered Bonds, (ii) each Business Day during the period (if any) commencing on, but excluding, the Final Maturity Date to, and including the Extension Determination Date (if any and as defined below), (iii) the 15th day of each month from, but excluding, the Extension Determination Date (if any and as defined below) to, but excluding, the Extended Due for Payment Date (if any), subject to adjustment in accordance with the Business Day Convention and (iv) the Extended Due for Payment Date (if any), subject to adjustment in accordance with the Business Day Convention, provided that, if at any time a Redemption Notice (as defined below) is given confirming that the Covered Bonds then outstanding are redeemable in full on a Final Exchange Date, that Final Exchange Date will be the last Final Exchange Date.

“**Extension Determination Date**” means the date falling two Business Days after the expiry of fourteen calendar days from, and including, the Final Maturity Date.

Party A Final Exchange Amounts: In respect of each Final Exchange Date, the USD equivalent of the relevant Party B Final Exchange Amount

converted by reference to the Covered Bond Swap Rate.

Party B Final Exchange
Amounts: In respect of each Final Exchange Date, the relevant Redemption Notice Amount (as defined below), if any multiplied by the Sterling Relevant Proportion.

Additional Payment:

Notwithstanding Section 2(a)(iii)(2) (but without prejudice to Section 2(a)(iii)(1)) and Section 6(c) of the Agreement, in the event that an Early Termination Date occurs in respect of the Transaction evidenced by this Confirmation as a result of an Additional Termination Event pursuant to Part 1(h)(iii) or (iv) of the Schedule to the Agreement, then on that Early Termination Date:

(i) Party A will pay to Party B an amount in USD equal to the product of (a) the Principal Amount Outstanding of the Covered Bonds to be redeemed in whole pursuant to Conditions 6.2 (Redemption for taxation reasons) or 6.5 (Redemption due to illegality or invalidity); or to be purchased and surrendered for cancellation in whole or in part pursuant to Condition 6.9 (Purchases) of the Covered Bonds and (b) the USD Relevant Proportion (the “**Party A Early Redemption Amount**”); and

(ii) Party B will pay to Party A an amount in GBP equal to the Party A Early Redemption Amount, converted by reference to the Covered Bond Swap Rate.

To the extent that, in respect of any payments described in (i) and (ii) above, Party B makes only a partial payment (or fails to make a full payment) of the amount due to Party A under (ii) above, then Party A shall reduce its corresponding payment to Party B under (i) above by the same percentage reduction, and shall have no other obligation to Party B in respect of such payment. For the avoidance of doubt, an amount calculated pursuant to Section 6(e) of the Agreement will also be due between the parties as a result of such Early Termination Date. For the purposes of Section 6(e) of the Agreement, when obtaining quotations from Reference Market-makers, such quotations shall be given on the basis that the terms of this Transaction (or portion thereof) do not include this Additional Payment section, but the quoting Reference Market-makers will be asked to increase or decrease quotations by an amount they determine to be the net value of the payments described in (i) and (ii) above which are actually made by the parties so that the amount payable under Section 6(e) by the party to whom such net value is positive will be increased or the amount payable to such party under Section 6(e) will be decreased (or, for the avoidance of doubt, will be decreased to such an extent that an amount will be payable by such party under Section 6(e)).

Additional Provisions:

Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A of the amount of principal payments to be made on the Covered Bonds on each Final Exchange Date (for purposes of calculating payment of any Final Exchange Amounts). Such notification may be made in respect of a Final Exchange Date by receipt by Party A of written confirmation from Party B, or the Cash Manager acting on Party B's behalf, of an irrevocable payment instruction to a bank from Party B to make a payment to Party A in an amount in GBP corresponding to the relevant proportion of the Principal Amounts Outstanding of the Covered Bonds to be redeemed on such Final Exchange Date to which all Series 2018-5 Covered Bond Swaps between Party A and Party B relate, converted by Party B (or the Cash Manager, acting on Party B's behalf) by reference to the Covered Bond Swap Rate and the Sterling Relevant Proportion each as specified in this Confirmation and the Covered Bond Swap Rates and the Sterling Relevant Proportions each as specified in the Confirmations of any other Series 2018-5 Covered Bond Swaps between Party A and Party B, on or prior to 5:00 p.m., London time, two Business Days prior to such Final Exchange Date (a "**Redemption Notice**", and the GBP amount specified in the written confirmation delivered to Party A, the "**Redemption Notice Amount**").

If Party A does not receive a Redemption Notice with respect to any Final Exchange Date, then the parties will not be required to pay any Final Exchange Amounts on such Final Exchange Date. In addition, if Party A does not receive a Redemption Notice confirming that the Covered Bonds are redeemable in full on the Final Maturity Date (and the Covered Bonds are not redeemed in full on or prior to the Extension Determination Date): (i) the Termination Date for this Transaction shall be deemed to be the Final Exchange Date in respect of which a Redemption Notice is given and, taking into account such Redemption Notice and each other Redemption Notice, the sum of all Redemption Notice Amounts equals the sum of (a) the Party A Initial Exchange Amount specified above and (b) the aggregate of the Party A Initial Exchange Amounts under any other Series 2018-5 Covered Bond Swaps between Party A and Party B; (ii) for the avoidance of doubt, Party A's obligation to pay Party A Fixed Amounts shall cease from, but excluding, the Final Maturity Date and Party A shall from, but excluding, such date be obliged to pay the Party A Floating Amounts to Party B; (iii) for the avoidance of doubt, Party B shall be obliged to continue to pay the Party B Floating Amounts; and (iv) the final Party A Floating Calculation Period and the final Party B Floating Calculation Period shall end on, but exclude, the Termination Date. Without prejudice to

the generality of the above provisions, Party B, or the Cash Manager acting on Party B's behalf, shall notify Party A at least two Business Days prior to the Final Maturity Date whether or not the Covered Bonds will be redeemed (in whole or in part) on the Final Maturity Date and, if they will not be, whether or not the Covered Bonds will be redeemed (in whole or in part) on or prior to the Extension Determination Date.

If on the Extended Due for Payment Date the sum of all Redemption Notice Amounts specified in Redemption Notices delivered to Party A on or prior to such date is less than the sum of (a) the Party A Initial Exchange Amount specified above and (b) the aggregate of the Party A Initial Exchange Amounts under any other Series 2018-5 Covered Bond Swaps between Party A and Party B (such difference, the "**Redemption Shortfall**"), then on the Extended Due for Payment Date:

(i) Party B will pay to Party A an amount in GBP equal to the Redemption Shortfall multiplied by the Sterling Relevant Proportion; and

(ii) Party A will pay the USD equivalent of the amount paid by Party B in accordance with (i) above, converted at the Covered Bond Swap Rate.

For purposes of calculating any amount due under Section 6(e) of the Agreement in respect of an Early Termination Date that occurs during the period from, but excluding, the Final Maturity Date to, and including, the Extension Determination Date, the Termination Date shall be deemed to be the Final Maturity Date, unless Party B or the Cash Manager has determined as of that date that Party B has insufficient funds to pay the Guaranteed Amounts in respect of the Covered Bonds, in which case the Termination Date shall be deemed to be the Extended Due for Payment Date (subject as provided above).

Party B agrees as soon as reasonably practicable after a Redemption Notice has been given to advise Party A by telephone (or email if provided in the notice details below) of the fact of such Redemption Notice; provided, however, that the failure by Party B, or the Cash Manager acting on Party B's behalf, to do so shall not affect the validity of any Redemption Notice under the Transaction evidenced by this Confirmation.
