2.5 Payment after a Default: At any time after the occurrence of an Event of Default in relation to a particular Series or after the Notes shall have become due and repayable pursuant to these presents and the Conditions and at any other time with the written consent of the Company the Trustee may:

2.5.1 by notice in writing to the Company, the Paying Agents, the Registrar and the Transfer Agents, require the Paying Agents, the Registrar and the Transfer Agents pursuant to the Agency Agreement:

- (i) to act as Paying Agents, Registrar and Transfer Agents, respectively, of the Trustee under these presents and the Notes of such Series on the terms of the Agency Agreement (with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Paying Agents, the Registrar and the Transfer Agents shall be limited to the amounts for the time being held by the Trustee in respect of such Series on the terms of these presents) and thereafter to hold all Notes, Certificates, Coupons and Talons and all moneys, documents and records held by them in respect of Notes, Certificates, Coupons and Talons of such Series to the order of the Trustee; and/or
- (ii) to deliver all Notes, Certificates, Coupons and Talons of such Series and all moneys, documents and records held by them in respect of the Notes, Certificates, Coupons and Talons of such Series to the Trustee or as the Trustee directs in such notice,

2.5.2 by notice in writing to the Company require it to make all subsequent payments in respect of the Notes, Coupons and Talons of such Series to or to the order of the Trustee and not to the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent and with effect from the issue of any such notice to the Company until such notice is withdrawn the first proviso to Clause 2.3 shall cease to have effect.

2.6 Rate of Interest after a Default: If the Notes bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period during which the Notes become so repayable.

2.7 Accrual of Interest:

2.7.1 Save (in the case of any payment or provision for payment in respect of the nominal amount of the Notes made to the Trustee or to or to the account of or with

the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent after the due date) where reliance is made on the proviso to Condition 10(a) in circumstances where it is possible to do so, interest shall continue to accrue on the nominal amount of the Notes due for redemption, up to but excluding the final date (being not later than 10 days after the date on which the whole of such nominal amount, together with an amount equal to the interest which has accrued and is to accrue up to but excluding such final date, has been received by the Trustee or the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent) which the Trustee determines to be the date on and after which payment is to be made to the Noteholders in respect thereof as stated in a notice given pursuant to Condition 15 or the day upon which payment is in fact so made, whichever first occurs (and so that to the extent that interest is provided by the Company in excess of that to which the Noteholders are entitled, such excess shall promptly be refunded to the Company).

2.7.2 Save where payment in respect of the whole or any part of the nominal amount of any Note is improperly withheld or refused (other than in circumstances contemplated by Clause 2.7.1 above), interest shall accrue on the nominal amount of such Note payment in respect of which has been so improperly withheld or refused, up to but excluding the date (of which not less than 10 days' notice is given in accordance with Condition 15) on and from which the full amount in the Contractual Currency payable in respect of such Note is available for payment or the day upon which payment is in fact so made, whichever first occurs (and so that to the extent that interest is provided by the Company in excess of that to which the Noteholders are entitled such excess shall promptly be refunded to the Company) PROVIDED THAT interest shall not cease to accrue on the day stipulated unless subsequently, subject always to Condition 6, upon due presentation of such Note, payment in full is in fact made. Any withholding or refusal of payment effected in reliance upon the proviso to Condition 10(a) where the relevant law, regulation or order proves subsequently not to be valid or applicable shall be treated, for the purpose of ascertaining entitlement to accrued interest, but not for any other purpose, as if it had been at all times an improper withholding or refusal.

2.7.3 Interest accruing on any nominal amount of any Notes pursuant to Clause 2.7.1 or 2.7.2 above shall be at the rate (provided in, or, where applicable, calculated *mutatis mutandis* in accordance with the provisions of, Condition 4) current at the commencement of the period of accrual (or where applicable which would then have been current had such Notes not been due for redemption at that time) up to but excluding the date which would have been the next Interest Payment Date therefor and thereafter at rates so provided or calculated and shall be payable at the same time as the relative nominal amount is payable.

2.8 Funds to be placed on deposit: Funds (comprising the whole or any part of the nominal amount of, or interest due in respect of, the relevant Note(s)) which are not paid or provided by the Company to the Trustee or to or to the account of or with the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent or payment of which is withheld or refused by the Registrar or any of the Paying or Transfer Agents, in each case in reliance upon the proviso to Condition 10(a), or which are paid or provided after the due date for payment thereof, pending payment in accordance with these presents, shall, if lawful, promptly be placed on interest bearing deposit with an institution authorised to carry on the regulated activity of deposit-taking (pursuant to the Financial

Services and Markets Act 2000) in London independent of the Company specified by the Company and approved by the Trustee and if not lawful so to be placed with such an authorised institution independent of the Company, then, so far as lawful, with the Company itself (and if the person holding such funds is a Paying or Transfer Agent, the Company shall, if lawful, procure that such funds are so placed by the relevant Paying or Transfer Agent) PROVIDED ALWAYS THAT the Trustee may (and, if so directed by an Extraordinary Resolution or where such withholding or refusal shall have been in force for one calendar month, shall), if lawful, require the funds comprising the principal or interest not so paid or provided by the Company or payment of which is withheld or refused as aforesaid (and then held on interest bearing deposit) to be invested (and thereafter reinvested so long as the relevant amount continues to be not so paid or provided by the Company or payment of which continues to be withheld or refused as aforesaid in each case in reliance upon the proviso to Condition 10(a)) upon call, notice or fixed deposit with any authorised institution in London specified by the Company and approved by the Trustee or, in the circumstances specified above, with the Company itself. The maturity or notice period of any such deposit or redeposit may be of any duration up to and including that of an Interest Period, and subject thereto the maturity thereof may (but need not) coincide with an Interest Payment Date. For the avoidance of doubt, (1) amounts whilst so invested or reinvested upon call, notice or fixed deposit shall be held upon the same terms as to beneficial ownership, entitlement and (in the case of Dated Subordinated Notes) subordination as though the relevant Notes and, where applicable, Coupons had never been presented, and (2) the interest derived from such investment and any such re-investment shall be applied as appropriate pursuant to the provisions of Clause 2.9.

2.9 Interest on funds placed on deposit: In any case where interest shall have been earned upon funds placed upon deposit (whether pursuant to the Agency Agreement or these presents) by the Company, the Trustee, the Registrar or any Paying or Transfer Agent:

- 2.9.1** as a result of an improper non-payment, non-provision, withholding or refusal, such interest shall belong to the Company. Where it is the Trustee, the Registrar or a Paying or Transfer Agent which shall have directed or effected the deposit, such interest (net of any tax applicable thereto) shall be released or paid to the Company by or by the order of the Trustee (but, where applicable, only upon receipt from the Registrar or the relevant Paying or Transfer Agent or, as the case may be, the banker(s) which has/have been holding the deposit); and
- 2.9.2** as a result of a proper non-payment, non-provision, withholding or refusal in reliance upon the proviso to Condition 10(a), such interest shall (net of any tax applicable thereto), if lawful, be paid to (or released by) the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent (or, if the Issuing and Paying Agent or, as the case may be, the CMU Issuing and Paying Agent advises the Company of its inability to effect such payment, shall be paid to (or released by) the Registrar or such other Paying or Transfer Agent as there then may be having ability to effect such payment or, if none, to the Trustee) for payment to the Noteholders and Couponholders entitled thereto PROVIDED THAT such payment shall be subject in all cases to any fiscal or other law or regulation or order of a court of competent jurisdiction applicable to the Company, the relevant Paying or Transfer Agent, the Trustee or any relevant person in respect of such payment. Such interest shall not qualify for the purposes of, and no additional amounts shall be payable in respect of any such interest pursuant to, Condition 8 (or any addition thereto or substitute therefor).

2.10 Resolution of doubt: In circumstances where paragraph (B) of the proviso to Condition 10(a) has been applied, the Trustee may at any time and from time to time by notice in writing to the Company require the Company to take such action (including but not limited to proceedings for a declaration by a relevant court) as the Trustee in its absolute discretion considers appropriate to resolve the doubt, in which event the Company shall forthwith take and expeditiously proceed with such action and shall be bound by any final resolution of the doubt resulting therefrom which resolution it shall promptly notify to the Trustee in writing. If such resolution determines that the relevant payment can be made without infringing any applicable law, regulation or order then the said paragraph (B) shall forthwith cease to apply and the grace period provided for in Condition 10(a) shall expire 14 days after service by the Company on the Trustee of notice informing it of such resolution as aforesaid or, if later, after the date specified in the notice given pursuant to Condition 10(f). If so required by the Trustee the Company shall as promptly as practicable after such resolution give a notice with regard thereto in accordance with Condition 15 in a form previously approved by the Trustee.

3 Subordination

3.1 In the event of:

- (i) an order being made, or an effective resolution being passed, for the winding-up of the Company (except, in any such case, a solvent winding-up solely for the purposes of a reorganisation, reconstruction or amalgamation of the Company or the substitution in place of the Company of a successor in business of the Company, the terms of which reorganisation, reconstruction, amalgamation or substitution (x) have previously been approved in writing by the Trustee or by an Extraordinary Resolution and (y) do not provide that the Dated Subordinated Notes shall thereby become redeemable or repayable in accordance with the Conditions); or
- (ii) an administrator of the Company being appointed and such administrator declaring, or giving notice that it intends to declare and distribute, a dividend,

any amounts payable to and received by the Trustee in respect of Dated Subordinated Notes pursuant to the provisions of these presents after the commencement of winding-up or administration proceedings will be received by it on trust to apply the same:

- 3.1.1** first in payment or satisfaction of the costs, charges, expenses and liabilities incurred by the Trustee (including any unpaid remuneration);
- 3.1.2** second in payment of claims of Senior Creditors of the Company (as defined in the Conditions) to the extent that such claims are admitted to proof in the winding-up (not having been satisfied out of the other resources of the Company) and excluding any sum in respect of interest which is payable contingently upon the Company being or being proved to be able to pay admitted claims in full;
- 3.1.3** third (without prejudice to the provisions of Clause 6.2) in or towards payment *pari passu* and rateably of all accrued interest remaining unpaid in respect of the Dated Subordinated Notes and all principal moneys due in respect of the Dated Subordinated Notes and any interest payable pursuant to Clause 2.9.2 to the holders of the Dated Subordinated Notes and, where applicable, the related Couponholders; and

3.1.4 as to the balance (if any) to the liquidator or, as applicable, the administrator for the time being of the Company.

3.2 The trust secondly mentioned in Clause 3 may be performed by the Trustee's paying over to such liquidator or, as applicable, such liquidator for the time being in the winding-up of the Company the amounts received by the Trustee as aforesaid (less any amounts thereof applied in the implementation of the trust first mentioned in Clause 3) on terms that such liquidator or administrator shall distribute the same accordingly and the receipt of such liquidator or administrator for the same shall be a good discharge to the Trustee for the performance by it of the trust secondly mentioned in Clause 3.

3.3 The Trustee shall be entitled and it is hereby authorised to call for and to accept as conclusive evidence thereof a certificate from the liquidator or administrator for the time being of the Company as to:

3.3.1 the amount of the claims of the other creditors referred to in Clause 3.1.2 (except as therein mentioned); and

3.3.2 the persons entitled thereto and their respective entitlements.

3.4 Nothing contained in these presents shall in any way restrict the right of the Company to issue obligations or give guarantees in each case ranking in priority to or *pari passu* with or junior to the obligations of the Company in respect of the Dated Subordinated Notes and if in the opinion of the Trustee any modification to the provisions of this Clause to permit such ranking is necessary or expedient the Trustee is hereby authorised to concur with the Company in executing a supplemental deed effecting such modification.

4.1 **The Global Notes and Certificates:** The Notes shall initially be represented by a temporary Global Note, a permanent Global Note or one or more Certificates in the nominal amount of the Tranche being issued. Interests in temporary Global Notes shall be exchangeable for Definitive Notes, Registered Notes (in the case of Exchangeable Bearer Notes) or interests in permanent Global Notes as set out in each temporary Global Note. The Global Notes shall be signed either manually or in facsimile by an authorised signatory of the Company. The Company may use the facsimile signature of any person who at the date of this Trust Deed is a Director or a Secretary or second Director of the Company notwithstanding that at the time of issue of any such Notes, Certificates, Coupons and Talons he may have ceased for any reason to be the holder of such office. In the case of a Global Note which is a NGN or a Global Certificate which is

held under the NSS, the Issuing and Paying Agent or the Registrar shall also instruct the Common Safekeeper to effectuate the same. The Notes and any further Talon issued after all the Coupons attached to or issued in respect of a Note have matured shall be authenticated (and effectuated, if applicable) by or on behalf of the Issuing and Paying Agent or the CMU Issuing and Paying Agent, as the case may be, and the Certificates shall be authenticated (and effectuated, if applicable) by or on behalf of the Registrar or the CMU Lodging Agent, as the case may be. Notes, Certificates, Coupons and Talons so executed and authenticated (and effectuated, if applicable) shall be or, in the case of Certificates, represent binding and valid obligations of the Company.

5.1 Stamp Duties: The Company shall pay:

- 5.1.1** any United Kingdom stamp and other duties (if any) on or in connection with the execution of these presents;

save that the Company shall not be liable to pay any such stamp or other duties or taxes to the extent that the obligation arises or the amount payable is increased by reason of the holder at the relevant time unreasonably delaying in producing any relevant document for stamping or similar process. Subject as aforesaid, the Company will not be otherwise responsible for stamp or other duties or taxes otherwise imposed and in particular (but without prejudice to the generality of the foregoing) for any penalties arising on account of late payment where due by the holder at the relevant time. Any such stamp or other duties or taxes that might be imposed upon or in respect of Notes or Certificates in temporary global, permanent global or definitive form or the Coupons or Talons (in each case other than as aforesaid) shall be the liability of the relevant holders thereof.

5.2 Compliance:

- 5.2.1** For the purposes of these presents, delivery of Definitive Notes in exchange for any Global Note or Global Certificate shall be deemed to be properly withheld if it is withheld (a) in order to comply with any fiscal or other law or regulation or with the order of any court of competent jurisdiction, in each case applicable to such delivery and exchange, the Company or the holder of such Global Note or Global Certificate or any person having or claiming to have any interest therein and being the subject of any such law, regulation or order or (b) (subject as provided below) in case of doubt as to the validity or applicability of any such law, regulation or

If such resolution determines that the relevant delivery and exchange can be made without infringing any applicable law, regulation or order then Clause 5.2.1 shall forthwith cease to apply and such delivery and exchange shall be made by the Company forthwith. If so required by the Trustee the Company shall as promptly as practicable after such resolution give a notice with regard thereto in accordance with Condition 15 in a form previously approved by the Trustee.

However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note or Coupon is improperly withheld or refused, such remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

- 12.4 Net proceeds:** The Trustee shall not be responsible for the application of the proceeds of the issue of the Notes by the Company.
- 12.5 Occurrence of Event of Default:** The Trustee shall not be bound to give notice to any person of the execution of these presents or to take any steps to ascertain whether any Event of Default or any condition, event or act which with the giving of notice and/or the lapse of time would constitute an Event of Default has happened and until it shall have actual knowledge or express notice to the contrary the Trustee shall be entitled to assume that no such Event of Default or condition, event or act has happened and that the Company is observing and performing all the obligations on its part contained in the Notes, Coupons and Talons and under these presents.
- 12.6 Capital Disqualification Event:** The Trustee may assume that no Capital Disqualification Event has occurred until it is notified otherwise and the Trustee shall not be required to take any action under Condition 7 until so requested by the Company. - 12.7 Discretion:** Save as expressly otherwise provided in these presents the Trustee has absolute and uncontrolled discretion as to the exercise of the discretions vested in the Trustee under these presents but wherever the Trustee is under the provisions of these presents bound to act at the request or direction of the Accountholders or, as the case may be, the Noteholders the Trustee shall nevertheless not be so bound unless first indemnified and/or secured and/or prefunded to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing.
- 12.8 Resolutions:** The Trustee shall not be liable for acting upon any resolution purporting to have been passed at any meeting of the Accountholders or, as the case may be, Noteholders in respect whereof minutes have been made and signed, or any Written Resolution or Electronic Consent passed in accordance with Schedule 3, even though subsequent to its acting it may be found that there was some defect in the constitution of the meeting or the passing of the resolution or that for any reason the resolution was not valid or binding upon the Accountholders or, as the case may be, Noteholders and Couponholders.
- 12.9 Forgeries:** The Trustee shall not be liable to the Company or any Noteholder, Accountholder, Couponholder or any holder of a Talon by reason of having accepted as valid or not having rejected any Note, Coupon or Talon purporting to be such and subsequently found to be forged or not authentic, but without prejudice to the Company's right to proceed against any person in case of bad faith, negligence or wilful default.
- 12.10 Act or omission:** The Trustee shall not be liable or responsible for any loss, costs, damages, expenses or inconvenience which may result from anything done or omitted to be done by itself or any other Trustee.
- 12.11 Consents:** Any consent given by the Trustee for the purposes of these presents may be given on such terms and subject to such conditions (if any) as the Trustee in its absolute discretion thinks fit and may be given retrospectively.

- 12.12 Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Company, the Noteholders and the Couponholders.
- 12.13 Legal Opinions:** The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.
- 12.14 Programme Limit:** The Trustee shall not be concerned, and need not enquire, as to whether or not any Notes are issued in breach of the Programme Limit.
- 12.15 Delegation:** The Trustee may whenever the Trustee thinks fit delegate by power of attorney or otherwise to any person (including any fluctuating body of persons) (whether being a joint trustee of these presents or not) and not being a person to whom the Company may reasonably object all or any of the trusts, powers, authorities and discretions (other than the powers conferred on the Trustee under Clauses 16 and 17) vested in the Trustee by these presents and such delegation may be made upon such terms and subject to such conditions including power to sub-delegate (but not to a person to whom the Company may reasonably object) and subject to such regulations as the Trustee may in the interests of the Accountholders or, as the case may be, the Noteholders think fit.
- 12.16 Nominees:** In relation to any asset held by it under these presents, the Trustee may appoint any person to act as its nominee on any terms.
- 12.17 Agents:** The Trustee may in the conduct of the trusts of these presents instead of acting personally employ and pay an agent not being a person to whom the Company may reasonably object whether being a lawyer or other person to transact or concur in transacting any business and to do or concur in doing all acts required to be done under the trusts of these presents (other than the powers excluded from the power of delegation under Clause 13 but including without limitation the receipt and payment of money). - 12.20 Indemnities and security etc.:**
- 12.20.1** Nothing contained in these presents shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties

or the exercise of any right, power, authority or discretion hereunder if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not assured to it.

12.20.2 The Trustee shall not be bound to take any steps to enforce the performance of any provisions of these presents or to appoint an independent financial advisor pursuant to the Conditions unless it shall be indemnified and/or secured and/or prefunded by the relevant Noteholders and/or Couponholders to its satisfaction against all costs, charges, liabilities and expenses which may be incurred by it in connection with such enforcement or appointment, including the costs of its managements' time and/or other internal resources, calculated using its normal hourly rates in force from time to time.

12.20.3 When determining whether an indemnity or any security given to it by the Noteholders and/or Couponholders or any of them is to its satisfaction, the Trustee shall be entitled to evaluate its risk in given circumstances by considering the worst-case scenario and, for this purpose, it may take into account, without limitation, the potential costs of defending or commencing proceedings in England or elsewhere and the risk however remote, or any award of damages against it in England or elsewhere.

12.20.4 The Trustee shall be entitled to require that any indemnity or security given to it by the Noteholders and/or Couponholders or any of them be given on a joint and several basis and be supported by evidence to its satisfaction as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

The Trustee shall not be liable to any person by reason of having accepted as valid or not having rejected any certificate or other document to such effect purporting to be issued by Euroclear, Clearstream, Luxembourg or the CMU Operator and subsequently found to be forged or not authentic. In the case of each NGN, the Trustee shall rely on the records of Euroclear and Clearstream, Luxembourg in relation to any determination of the nominal amount of each NGN.

17 Appointment, Retirement and Removal of the Trustee; Co-Trustees

17.1 Appointment: The power to appoint new trustees of these presents shall be vested in the Company but no person shall be appointed who shall not previously have been approved by an Extraordinary Resolution of Noteholders or, as the case may be, (subject to Clause 1.3) Accountholders. One or more persons may hold office as trustee or trustees of these presents but such trustee or trustees shall be or include a trust corporation. Whenever there shall be more than two trustees of these presents the majority of such trustees shall be competent to execute and exercise all the duties, powers, trusts, authorities and discretions vested in the Trustee by these presents provided that a trust corporation shall be included in such majority. Any appointment of a new Trustee shall be notified by the Company to the Noteholders as soon as practicable in accordance with Condition 15.

17.2 Retirement and Removal: A Trustee may retire at any time on giving not less than three months' prior written notice to the Company without assigning any reason and without being responsible for any costs occasioned by such retirement. The Noteholders or, as the case may be, (subject to Clause 1.3) the Accountholders shall have the power exercisable by Extraordinary Resolution to remove any trustee or trustees for the time being of these presents. The Company undertakes that in the event of a Trustee giving notice under this Clause or being removed by Extraordinary Resolution it will unless the remaining Trustee(s) is or includes a trust corporation without prejudice to Clause 17.1 use reasonable endeavours to procure a new trustee of these presents which is a trust corporation to be appointed. The retirement or removal of any trustee which is a trust corporation or any sole trustee shall not become effective until a successor trustee which is a trust corporation is appointed.

17.3 Co-Trustees: The Trustee may, despite Clause 17.1, by written notice to the Company appoint anyone to act as an additional Trustee jointly with the Trustee:

17.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

17.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

17.3.3 to obtain a judgment or to enforce a judgment or any provision of this Trust Deed in any jurisdiction.

Subject to the provisions of these presents, the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Company and that person remove that person. At the Trustee's request, the Company shall forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

18 Powers to be in addition

The powers conferred by these presents upon the Trustee shall be in addition to any powers which may from time to time be vested in the Trustee by the general law or as an Accountholder or a holder of any of the Notes, Coupons or Talons.

EURO MEDIUM TERM NOTE PROGRAMME

TEMPORARY GLOBAL NOTE

Temporary Global Note No.

This temporary Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche and Series specified in the Second Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this temporary Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended modified and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and any modifications or additions set out in the Second Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “TEFRA C” or “not applicable”, this temporary Global Note is a “TEFRA C Note”, otherwise this temporary Global Note is a “TEFRA D Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or for Definitive Notes or Registered Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Company, for value received, promises to pay to or to the order of the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal

amount of Notes represented by this temporary Global Note and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, in the amounts and on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Exchange

If this temporary Global Note is an Exchangeable Bearer Note, this temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date referred to below by its presentation to the Issuing and Paying Agent. On or after the Exchange Date, the outstanding nominal amount of this temporary Global Note may be exchanged for Definitive Notes and Registered Notes in accordance with the next paragraph.

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a TEFRA D Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests in a permanent Global Note and (if this temporary Global Note is an Exchangeable Bearer Note) for Registered Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a TEFRA D Note submitted for exchange for a permanent Global Note, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this temporary Global Note or a permanent Global Note may be exchanged shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed or, in the case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Second Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or any other clearing system.

On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note or for Definitive Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein or in the Trust Deed or the Conditions, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes or Certificates, as the case may be, is improperly withheld or refused by or on behalf of the Company.

Payments due in respect of a TEFRA D Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no later than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made).

For the purposes of any payments made in respect of this temporary Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 6(h) (Non-Business Days).

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Accountholders

For so long as any of the Notes are represented by this temporary Global Note, each person who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other clearing system as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be

treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this temporary Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to the bearer of this temporary Global Note for its share of each payment made to or to the order of such bearer.

Negotiability

This temporary Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this temporary Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this temporary Global Note and the Company has waived against such holder and any previous holder of this temporary Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this temporary Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this temporary Global Note.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or any other clearing system) to Euroclear, Clearstream, Luxembourg or such other clearing system, as the case may be, or otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

No provision of this temporary Global Note shall alter or impair the obligation of the Company to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This temporary Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

In witness whereof the Company has caused this temporary Global Note to be signed manually by an authorised signatory of the Company on its behalf.

TEMPORARY GLOBAL NOTE

Temporary Global Note No.

This temporary Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche and Series specified in the Second Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this temporary Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended modified and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and any modifications or additions set out in the Second Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “TEFRA C” or “not applicable”, this temporary Global Note is a “TEFRA C Note”, otherwise this temporary Global Note is a “TEFRA D Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the CMU Issuing and Paying Agent upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest in a permanent Global Note or for Definitive Notes or Registered Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Company, for value received, promises to pay to or to the order of the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note provided that, the principal amount so payable shall be the aggregate principal amount of the credit entries in the securities accounts of the Accountholders with the CMU Operator in respect of the CMU Notes for the time being represented by this temporary Global Note, and (unless this temporary Global Note does not bear

interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, in the amounts and on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Notwithstanding the above, any payments that are made in respect of this temporary Global Note shall be made to the Accountholders and such payments shall discharge the obligation of the Company in respect of that payment. For these purposes, a notification from the CMU Service shall be conclusive evidence of the identity of any Accountholder and the principal amount of any CMU Notes represented by this temporary Global Note credited to its account (save in the case of manifest error).

“Business Day” and **“business day”** shall mean a Business Day or business day (as each term is defined in the Conditions) on which, in addition to the requirements set out in the Conditions or in the relevant Final Terms or Pricing Supplement, the CMU Service is also operating.

Exchange

If this temporary Global Note is an Exchangeable Bearer Note, this temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date referred to below by its presentation to the CMU Issuing and Paying Agent. On or after the Exchange Date, the outstanding nominal amount of this temporary Global Note may be exchanged for Definitive Notes and Registered Notes in accordance with the next paragraph.

On or after the first day following the expiry of 40 days after the Issue Date (the **“Exchange Date”**), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a TEFRA D Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the CMU Issuing and Paying Agent for interests in a permanent Global Note or, if so specified in the Second Schedule hereto, for Definitive Notes and (if this temporary Global Note is an Exchangeable Bearer Note), in each case, for Registered Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a TEFRA D Note submitted for exchange for a permanent Global Note or Definitive Notes, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“Certification” means the presentation to the CMU Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by the relevant accountholders in the CMU, substantially to the effect set out in Schedule 3 to the Agency Agreement and that no contrary advice as to the contents thereof has been received by the CMU Issuing and Paying Agent or the CMU Lodging Agent.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this temporary Global Note or a permanent Global Note may be exchanged shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed or, in the case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented

and/or modified and/or superseded by the terms of the Second Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the CMU Issuing and Paying Agent that it is, or is acting as a nominee for, the CMU Service.

On any exchange of a part of this temporary Global Note for an equivalent interest in a permanent Global Note or for Definitive Notes, as the case may be, the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the CMU Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein or in the Trust Deed or the Conditions, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note, for Definitive Notes or for Registered Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, due endorsement of) a permanent Global Note or delivery of Definitive Notes or Certificates, as the case may be, is improperly withheld or refused by or on behalf of the Company.

Payments due in respect of a TEFRA D Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no later than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the CMU Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. If any payment in full of principal is made in respect of any Note represented by this temporary Global Note, the portion of this temporary Global Note representing such Note shall be cancelled and the amount so cancelled shall be endorsed by or on behalf of the CMU Issuing and Paying Agent in the First Schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made) whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed. If any other payments are made in respect of the Notes represented by this temporary Global Note, a record of each such payment shall be endorsed by or on behalf of the CMU Issuing and Paying Agent on an additional schedule hereto (such endorsement being *prima facie* evidence that the payment in question has been made).

For the purposes of any payments made in respect of this temporary Global Note, the words "in the relevant place of presentation" shall not apply in the definition of "**business day**" in Condition 6(h) (Non-Business Days).

Cancellation

Cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the

nominal amount of this temporary Global Note representing such Note on its presentation to or to the order of the CMU Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Accountholders

For so long as any of the Notes are represented by this temporary Global Note, each person who is for the time being shown in the records of the CMU Service as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by the CMU Service as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this temporary Global Note in accordance with and subject to its terms and the terms of the Trust Deed. For the avoidance of doubt, where a CMU Operator holds an account with another CMU Operator for the purposes of any “bridge” between them, such CMU Operator shall not be treated as an Accountholder as a consequence of holding such account.

Negotiability

This temporary Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this temporary Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this temporary Global Note and the Company has waived against such holder and any previous holder of this temporary Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and

PERMANENT GLOBAL NOTE

Permanent Global Note No.

This permanent Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche(s) and Series specified in the Third Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this permanent Global Note (including the supplemental definitions and any modifications or additions set out in the Third Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the Issuing and Paying Agent upon (i) the exchange of the whole or a part of the temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Company, for value received, hereby promises to pay to or to the order of the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under

the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this permanent Global Note and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for Definitive Notes or (if this permanent Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

- (i) if this permanent Global Note is an Exchangeable Bearer Note, by the holder (acting on the instructions of the person(s) with beneficial interest(s) in this permanent Global Note) giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of this permanent Global Note for Registered Notes; and
- (ii) otherwise, (a) upon the happening of any of the events defined in the Trust Deed as “Events of Default”; or (b) if Euroclear or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearing system satisfactory to the Trustee is available.

This permanent Global Note is exchangeable in part on one or more occasions (provided, however, that if this permanent Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg so permit) (i) for Registered Notes if this permanent Global Note is an Exchangeable Bearer Note and the part hereof submitted for exchange is to be exchanged for Registered Notes or (ii) for Definitive Notes if principal in respect of any Notes is not paid when due.

“**Exchange Date**” means a day falling not less than 60 days, or in the case of an exchange for Registered Notes 5 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange pursuant to (ii) above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Any such exchange may be effected on or after an Exchange Date by the holder of this permanent Global Note surrendering this permanent Global Note or, in the case of a partial exchange, presenting it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for this permanent Global Note, or part thereof to be exchanged, the Company shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes and/or (if this permanent Global Note is an Exchangeable Bearer Note) Certificates in an aggregate nominal amount equal to the nominal amount of this permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this permanent Global Note), security printed or, in the case of Certificates, printed in accordance with any applicable legal and stock exchange requirements and substantially in the form set out in Schedule 2 to the Trust Deed as supplemented and/or modified

and/or superseded by the terms of the Third Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

On any exchange of a part of this permanent Global Note the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein or in the Trust Deed or the Conditions, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes or Certificates is improperly withheld or refused by or on behalf of the Company or the Company does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made.

For the purposes of any payments made in respect of this permanent Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 6(h) (Non-Business Days).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of 12 years (in the case of principal) and 6 years (in the case of interest) from the appropriate Relevant Date.

Accountholders

For so long as any of the Notes are represented by this permanent Global Note, each person who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the

purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this permanent Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to the bearer of this permanent Global Note for its share of each payment made to or to the order of such bearer.

Cancellation

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company if they are purchased together with the right to receive all future payments of interest thereon.

Options of the Company

Any option of the Company provided for in the Conditions shall be exercised by the Company giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the certificate numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuing and Paying Agent (electronically or otherwise) within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of, or containing substantially similar information as contained in, the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting this permanent Global Note to the Issuing and Paying Agent or to a Paying Agent acting on behalf of the Issuing and Paying Agent for notation accordingly in the Fourth Schedule hereto.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System) to Euroclear, Clearstream, Luxembourg or such Alternative Clearing System, as the case may be, or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be

published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this permanent Global Note and the Company has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provisions of this permanent Global Note shall alter or impair the obligation of the Company to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent.

This permanent Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

In witness whereof the Company has caused this permanent Global Note to be signed manually by an authorised signatory of the Company on its behalf.

PERMANENT GLOBAL NOTE

Permanent Global Note No.

This permanent Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche(s) and Series specified in the Third Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this permanent Global Note (including the supplemental definitions and any modifications or additions set out in the Third Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes as shall be shown by the latest entry in the fourth column of the First Schedule hereto, which shall be completed by or on behalf of the CMU Issuing and Paying Agent upon (i) the exchange of the whole or a part of the temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this permanent Global Note for Definitive Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

Promise to Pay

Subject as provided herein, the Company, for value received, hereby promises to pay to or to the order of the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this permanent Global Note provided that, the principal amount so payable shall be the aggregate principal amount of the credit entries in the securities accounts of the Accountholders with the CMU Operator in respect of the CMU Notes for

the time being represented by this permanent Global Note, and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Notwithstanding the above, any payments that are made in respect of this permanent Global Note shall be made to the Accountholders and such payments shall discharge the obligation of the Company in respect of that payment. For these purposes, a notification from the CMU Service shall be conclusive evidence of the identity of any Accountholder and the principal amount of any Notes represented by this permanent Global Note credited to its account (save in the case of manifest error).

“Business Day” and **“business day”** shall mean a Business Day or business day (as each term is defined in the Conditions) on which, in addition to the requirements set out in the Conditions or in the relevant Final Terms or Pricing Supplement, the CMU Service is also operating.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for Definitive Notes or (if this permanent Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

- (i) if this permanent Global Note is an Exchangeable Bearer Note, by the holder (acting on the instructions of the person(s) with beneficial interest(s) in this permanent Global Note) giving notice to the CMU Issuing and Paying Agent of its election to exchange the whole or a part of this permanent Global Note for Registered Notes; and
- (ii) otherwise, (a) upon the happening of any of the events defined in the Trust Deed as “Events of Default”; or (b) if the CMU Service is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearing system satisfactory to the Trustee is available.

This permanent Global Note is exchangeable in part on one or more occasions (provided, however, that if this permanent Global Note is held by or on behalf of the CMU Service, the rules of the CMU Service so permit) (i) for Registered Notes if this permanent Global Note is an Exchangeable Bearer Note and the part hereof submitted for exchange is to be exchanged for Registered Notes or (ii) for Definitive Notes if principal in respect of any Notes is not paid when due.

“Exchange Date” means a day falling not less than 60 days, or in the case of an exchange for Registered Notes 5 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the CMU Issuing and Paying Agent is located and, except in the case of exchange pursuant to (iv) above, in the cities in which the CMU Service is located.

Any such exchange may be effected on or after an Exchange Date by the holder of this permanent Global Note surrendering this permanent Global Note or, in the case of a partial exchange, presenting it for endorsement to or to the order of the CMU Issuing and Paying Agent. In exchange for this permanent Global Note, or part thereof to be exchanged, the Company shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes and/or (if this permanent

Global Note is an Exchangeable Bearer Note) Certificates in an aggregate nominal amount equal to the nominal amount of this permanent Global Note submitted for exchange (if appropriate, having attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this permanent Global Note), security printed or, in the case of Certificates, printed in accordance with any applicable legal and stock exchange requirements and substantially in the form set out in Schedule 2 to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Third Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the CMU Issuing and Paying Agent that it is, or is acting as a nominee for, the CMU Service.

On any exchange of a part of this permanent Global Note the portion of the nominal amount hereof so exchanged shall be endorsed by or on behalf of the CMU Issuing and Paying Agent in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so exchanged and endorsed.

Benefit of Conditions

Except as otherwise specified herein or in the Trust Deed or the Conditions, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes or Certificates is improperly withheld or refused by or on behalf of the Company or the Company does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the CMU Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions. A record of each such payment shall be endorsed on the First or Second Schedule hereto, as appropriate, by the CMU Issuing and Paying Agent or by the relevant Paying Agent, for and on behalf of the CMU Issuing and Paying Agent, which endorsement shall (until the contrary is proved) be *prima facie* evidence that the payment in question has been made. Entry in the records maintained by the CMU Operator shall be treated for the purposes of any payment of interest as endorsement by the relevant Paying Agent during such times as the permanent Global Note may be deposited with a sub-custodian for the Hong Kong Monetary Authority acting in its capacity as CMU Operator.

For the purposes of any payments made in respect of this permanent Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 6(h) (Non-Business Days).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of 12 years (in the case of principal) and 6 years (in the case of interest) from the appropriate Relevant Date.

Accountholders

For so long as any of the Notes are represented by this permanent Global Note, each person who is for the time being shown in the records of the CMU Service as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by the CMU Service as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this permanent Global Note in accordance with and subject to its terms and the terms of the Trust Deed. For the avoidance of doubt, where a CMU Operator holds an account with another CMU Operator for the purposes of any “bridge” between them, such CMU Operator shall not be treated as an Accountholder as a consequence of holding such account.

Cancellation

Cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the nominal amount of this permanent Global Note representing such Note on its presentation to or to the order of the CMU Issuing and Paying Agent for endorsement in the First Schedule hereto, whereupon the nominal amount hereof shall be reduced for all purposes by the amount so cancelled and endorsed.

Purchase

Notes may only be purchased by the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company if they are purchased together with the right to receive all future payments of interest thereon.

Options of the Company

Any option of the Company provided for in the Conditions shall be exercised by the Company giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the certificate numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the CMU Issuing and Paying Agent (electronically or otherwise) within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of, or containing substantially similar information as contained in, the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting this permanent Global Note to the CMU Issuing and Paying Agent or to a Paying Agent acting on behalf of the CMU Issuing and Paying Agent, for notation accordingly in the Fourth Schedule hereto.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of

the CMU Service) to the CMU Service or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this permanent Global Note and the Company has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this permanent Global Note as provided herein (including, without limitation, in accordance with the presentation requirements as they relate to CMU Notes held by or on behalf of the CMU Service) shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provisions of this permanent Global Note shall alter or impair the obligation of the Company to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the CMU Issuing and Paying Agent.

This permanent Global Note and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, English law.

EURO MEDIUM TERM NOTE PROGRAMME

TEMPORARY GLOBAL NOTE

Temporary Global Note No.

This temporary Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche and Series specified in Part A of the Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this temporary Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended modified and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this temporary Global Note (including the supplemental definitions and any modifications or additions set out in Part A of the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed. If the Second Schedule hereto specifies that the applicable TEFRA exemption is either “TEFRA C” or “not applicable”, this temporary Global Note is a “TEFRA C Note”, otherwise this temporary Global Note is a “TEFRA D Note”.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this temporary Global Note shall be an amount equal to the aggregate nominal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together the “**relevant Clearing Systems**”), which shall be completed and/or amended by or on behalf of the Issuing and Paying Agent, as the case may be, upon (i) the issue of Notes represented hereby, (ii) the exchange of the whole or a part of this temporary Global Note for a corresponding interest recorded in the records of the relevant Clearing Systems in a permanent Global Note or, as the case may be, for Definitive Notes or Registered Notes and/or (iii) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

The records of the relevant Clearing Systems (which expression in this temporary Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers’ interests in the Notes) shall be conclusive evidence of the nominal amount of the Notes represented by this temporary Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by the temporary Global Note at any time shall be conclusive evidence of the records of the relevant Clearing Systems at that time.

Promise to Pay

Subject as provided herein, the Company, for value received, promises to pay to or to the order of the bearer of this temporary Global Note, upon presentation and (when no further payment is due in respect of this temporary Global Note) surrender of this temporary Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this temporary Global Note, and (unless this temporary Global Note does not bear interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, in the amounts and on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Exchange

If this temporary Global Note is an Exchangeable Bearer Note, this temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date referred to below by its presentation to the Issuing and Paying Agent. On or after the Exchange Date, the outstanding nominal amount of this temporary Global Note may be exchanged for Definitive Notes and Registered Notes in accordance with the next paragraph.

On or after the first day following the expiry of 40 days after the Issue Date (the “**Exchange Date**”), this temporary Global Note may be exchanged (free of charge to the holder) in whole or (in the case of a TEFRA D Note only) from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests recorded in the records of the relevant Clearing Systems in a permanent Global Note and (if this temporary Global Note is an Exchangeable Bearer Note) for Registered Notes in an aggregate nominal amount equal to the nominal amount of this temporary Global Note submitted for exchange provided that, in the case of any part of a TEFRA D Note submitted for exchange for interests recorded in the records of the relevant Clearing Systems in a permanent Global Note, there shall have been Certification with respect to such nominal amount submitted for such exchange dated no earlier than the Exchange Date.

“**Certification**” means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this temporary Global Note being exchanged for a permanent Global Note, such permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this temporary Global Note or a permanent Global Note may be exchanged shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest that have not already been paid on this temporary Global Note or the permanent Global Note, as the case may be, shall be security printed or, in the

case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of Part A of the Schedule hereto. Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or any other clearing system.

On any exchange of a part of this temporary Global Note for an equivalent interest recorded in the records of the relevant Clearing Systems in a permanent Global Note or for Definitive Notes, as the case may be, the Company shall procure that details of the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by an amount equal to such portion so exchanged.

Except as otherwise specified herein or in the Trust Deed or the Conditions, this temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this temporary Global Note is exchanged for equivalent interests in a permanent Global Note or for Definitive Notes or for Registered Notes, as the case may be, the holder of this temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the permanent Global Note (or the relevant part of it) or the Definitive Notes, as the case may be, for which it may be exchanged as if such permanent Global Note or Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this temporary Global Note that falls due on or after the Exchange Date unless, upon due presentation of this temporary Global Note for exchange, delivery of (or, in the case of a subsequent exchange, a corresponding entry being recorded in the records of the relevant Clearing Systems) a permanent Global Note or delivery of Definitive Notes or Certificates, as the case may be, is improperly withheld or refused by or on behalf of the Company.

Payments due in respect of a TEFRA D Note before the Exchange Date shall only be made in relation to such nominal amount of this temporary Global Note with respect to which there shall have been Certification dated no later than such due date for payment.

Any payments that are made in respect of this temporary Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Company's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. If any payment in full or in part of principal is made in respect of any Note represented by this temporary Global Note the Company shall procure that details of such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed. If any other payments are made in respect of the Notes represented by this temporary Global Note, the Company shall procure that a record of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems.

For the purposes of any payments made in respect of this temporary Global Note, the words “in the relevant place of presentation” shall not apply in the definition of “**business day**” in Condition 6(h) (Non-Business Days).

Cancellation

On cancellation of any Note represented by this temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Company shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Note recorded in the records of the relevant Clearing Systems and represented by this temporary Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Accountholders

For so long as any of the Notes are represented by this temporary Global Note, each person who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other clearing system as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this temporary Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear, Clearstream, Luxembourg or any other clearing system, as the case may be, for its share of each payment made to the bearer of this temporary Global Note.

Negotiability

This temporary Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this temporary Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this temporary Global Note and the Company has waived against such holder and any previous holder of this temporary Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this temporary Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this temporary Global Note.

Notices

Notices required to be given in respect of the Notes represented by this temporary Global Note may be given by their being delivered (so long as this temporary Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg or any other permitted clearing system) to Euroclear, Clearstream, Luxembourg or such other permitted clearing system, as the case may be, or

otherwise to the holder of this temporary Global Note, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

No provision of this temporary Global Note shall alter or impair the obligation of the Company to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

PERMANENT GLOBAL NOTE

Permanent Global Note No.

This permanent Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche(s) and Series specified in Part A of the Schedule hereto of Lloyds Banking Group plc (the “**Company**”).

Interpretation and Definitions

References in this permanent Global Note to the “Conditions” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the Trust Deed originally made on 30 March 2017 and amended and restated on 9 April 2018 (such Trust Deed as amended and/or supplemented and/or restated as at the Issue Date, the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. as trustee, as such form is supplemented and/or modified and/or superseded by the provisions of this permanent Global Note (including the supplemental definitions and any modifications or additions set out in Part A of the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this permanent Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

Aggregate Nominal Amount

The aggregate nominal amount from time to time of this permanent Global Note shall be an amount equal to the aggregate nominal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together, the “**relevant Clearing Systems**”), which shall be completed and/or amended by or on behalf of the Issuing and Paying Agent as the case may be upon (i) the exchange of the whole or a part of the interests recorded in the records of the relevant Clearing Systems in the temporary Global Note initially representing the Notes for a corresponding interest herein (in the case of Notes represented by a temporary Global Note upon issue), (ii) the issue of the Notes represented hereby (in the case of Notes represented by this permanent Global Note upon issue), (iii) the exchange of the whole or, where the limited circumstances so permit, a part of this permanent Global Note for Definitive Notes or Registered Notes and/or (iv) the redemption or purchase and cancellation of Notes represented hereby, all as described below.

The records of the relevant Clearing Systems (which expression in this permanent Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers’ interests in the Notes) shall be conclusive evidence of the nominal amount of the Notes represented by this permanent Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this permanent Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

Promise to Pay

Subject as provided herein, the Company, for value received, hereby promises to pay to or to the order of the bearer of this permanent Global Note, upon presentation and (when no further payment is due in respect of this permanent Global Note) surrender of this permanent Global Note, on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions) or if so required pursuant to Condition 5, the amount payable upon redemption under the Conditions in respect of the aggregate nominal amount of Notes represented by this permanent Global Note, and (unless this permanent Global Note does not bear interest) to pay interest in respect of the Notes from and including the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Exchange

This permanent Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for the Definitive Notes or (if this permanent Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

- (i) if this permanent Global Note is an Exchangeable Bearer Note, by the holder (acting on the instructions of the person(s) with beneficial interest(s) in this permanent Global Note hereof giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of this permanent Global Note for Registered Notes; or
- (ii) otherwise, (a) upon the happening of any of the events defined in the Trust Deed as “Events of Default”; or (b) if this permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other permitted clearing system (an “**Alternative Clearing System**”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearing system satisfactory to the Trustee is available.

This permanent Global Note is exchangeable in part (provided, however, that if this permanent Global Note is held by or on behalf of Euroclear and/or Clearstream, Luxembourg, the rules of Euroclear and/or Clearstream, Luxembourg, as the case may be, so permit) (i) for Registered Notes if this permanent Global Note is an Exchangeable Bearer Note and the part hereof submitted for exchange is to be exchanged for Registered Notes or (ii) for Definitive Notes (a) if principal in respect of any Notes is not paid when due.

“**Exchange Date**” means a day falling not less than 60 days, or in the case of an exchange for Registered Notes 5 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and, except in the case of exchange pursuant to (ii) above, in the cities in which Euroclear and Clearstream, Luxembourg or, if relevant, the Alternative Clearing System, are located.

Any such exchange may be effected on or after an Exchange Date by the holder of this permanent Global Note surrendering this permanent Global Note or, in the case of a partial exchange, presenting it to or to the order of the Issuing and Paying Agent. In exchange for this permanent Global Note, or part thereof to be exchanged, the Company shall deliver, or procure the delivery of, duly executed and authenticated Definitive Notes and/or (if this permanent Global Note is an

Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

On any exchange of a part of this permanent Global Note, the Company shall procure that the portion of the nominal amount hereof so exchanged shall be entered *pro rata* in the records of the relevant Clearing Systems and upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by an amount equal to such portion so exchanged.

Benefit of Conditions

Except as otherwise specified herein or in the Trust Deed or the Conditions, this permanent Global Note is subject to the Conditions and the Trust Deed and, until the whole of this permanent Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this permanent Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Definitive Notes for which it may be exchanged and as if such Definitive Notes had been issued on the Issue Date.

Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this permanent Global Note that falls due after an Exchange Date for such Notes, unless upon due presentation of this permanent Global Note for exchange, delivery of Definitive Notes or Certificates is improperly withheld or refused by or on behalf of the Company or the Company does not perform or comply with any one or more of what are expressed to be its obligations under any Definitive Notes.

Payments in respect of this permanent Global Note shall be made to its holder against presentation and (if no further payment falls to be made on it) surrender of it at the specified office of the Issuing and Paying Agent or of any other Paying Agent provided for in the Conditions and each payment so made will discharge the Company's obligations in respect thereof. Any failure to make the entries in the records of the relevant Clearing Systems referred to herein shall not affect such discharge. The Company shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant Clearing Systems and in the case of any payment of principal and upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed.

For the purposes of any payments made in respect of this permanent Global Note, the words "in the relevant place of presentation" shall not apply in the definition of "**business day**" in Condition 6(h) (Non-Business Days).

Prescription

Claims in respect of principal and interest (as each is defined in the Conditions) in respect of this permanent Global Note shall become void unless it is presented for payment within a period of

12 years (in the case of principal) and 6 years (in the case of interest) from the appropriate Relevant Date.

Meetings

For the purposes of any meeting of Noteholders, the holder of this permanent Global Note shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes.

Accountholders

For so long as any of the Notes are represented by this permanent Global Note, each person who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of principal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the bearer of this permanent Global Note in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear, Clearstream, Luxembourg or an Alternative Clearing System, as the case may be, for its share of each payment made to the bearer of this permanent Global Note.

Cancellation

On cancellation of any Note represented by this permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption), the Company shall procure that details of such cancellation shall be entered *pro rata* in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by the aggregate nominal amount of the Notes so cancelled.

Purchase

Notes may only be purchased by the Company or any of its subsidiaries if they are purchased together with the right to receive all future payments of interest thereon.

Options of the Company

Any option of the Company provided for in the Conditions shall be exercised by the Company giving notice to the Noteholders and the relevant Clearing Systems (or procuring that such notice is given on its behalf) within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion. Following the exercise of any such option, the Company shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced accordingly.

Noteholders' Options

Any option of the Noteholders provided for in the Conditions may be exercised by the holder of this permanent Global Note giving notice to the Issuing and Paying Agent (electronically or otherwise) within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of, or containing substantially similar information as contained in, the notice available from any Paying Agent, except that the notice shall not be required to contain the certificate numbers of the Notes in respect of which the option has been exercised. Following the exercise of any such option, the Company shall procure that the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this permanent Global Note shall be reduced by the aggregate nominal amount stated in the relevant exercise notice.

Notices

Notices required to be given in respect of the Notes represented by this permanent Global Note may be given by their being delivered (so long as this permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System) to Euroclear, Clearstream, Luxembourg and/or such Alternative Clearing System, as the case may be, or otherwise to the holder of this permanent Global Note, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

Negotiability

This permanent Global Note is a bearer document and negotiable and accordingly:

- (i) is freely transferable by delivery and such transfer shall operate to confer upon the transferee all rights and benefits appertaining hereto and to bind the transferee with all obligations appertaining hereto pursuant to the Conditions;
- (ii) the holder of this permanent Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of amounts payable upon redemption, interest or otherwise payable in respect of this permanent Global Note and the Company has waived against such holder and any previous holder of this permanent Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (iii) payment upon due presentation of this permanent Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this permanent Global Note.

No provisions of this permanent Global Note shall alter or impair the obligation of the Company to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

This permanent Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Company, for value received, promises to pay to or to the order of the holder of the Notes represented by this Global Certificate (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Notes) on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions), the amount payable upon redemption under the Conditions in respect of the Notes represented by this Global Certificate, and (unless the Notes represented by this Certificate do not bear interest) to pay interest in respect of such Notes from and including the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

For the purposes of this Global Certificate, (a) the holder of the Notes represented by this Global Certificate is bound by the provisions of the Trust Deed and the Agency Agreement, (b) the

Company certifies that the Registered Holder is, at the date hereof, entered in the Register as the holder of the Notes represented by this Global Certificate, (c) this Global Certificate is evidence of entitlement only, (d) title to the Notes represented by this Global Certificate passes only on due registration on the Register, and (e) only the holder of the Notes represented by this Global Certificate is entitled to payments in respect of the Notes represented by this Global Certificate.

Transfer of Notes represented by permanent Global Certificates

If the Schedule hereto states that the Notes are to be represented by a permanent Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) upon the happening of any of the events defined in the Trust Deed as “Events of Default”; or
- (ii) if Euroclear, or Clearstream, Luxembourg or any other clearing system (an “**Alternative Clearing System**”) is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearance system satisfactory to the Trustee is available; or
- (iii) with the consent of the Company,

provided that, in the case of the first transfer of part of a holding pursuant to (i) or (ii) above, the holder of the Notes represented by this Global Certificate has given the Registrar not less than 30 days’ notice at its specified office of such holder’s intention to effect such transfer. Where the holding of Notes represented by this Global Certificate is only transferable in its entirety, the Certificate issued to the transferee upon transfer of such holding shall be a Global Certificate. Where transfers are permitted in part, Certificates issued to transferees shall not be Global Certificates unless the transferee so requests and certifies to the Registrar that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or an Alternative Clearing System.

Accountholders

For so long as any of the Notes are represented by this Global Certificate, each person who is for the time being shown in the records of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as the holder of a particular nominal amount of such Notes (each an “**Accountholder**”) (in which regard any certificate or other document issued by Euroclear, Clearstream, Luxembourg or an Alternative Clearing System as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes) shall be treated as the holder of such nominal amount of such Notes for all purposes (including for the purposes of any quorum requirements of, or the right to demand a poll at, meetings of the Noteholders) other than with respect to the payment of nominal and interest on such Notes, the right to which shall be vested, as against the Company and the Trustee, solely in the registered holder of this Global Certificate in accordance with and subject to its terms and the terms of the Trust Deed. Each Accountholder must look solely to Euroclear, Clearstream, Luxembourg or an Alternative Clearing System, as the case may be, for its share of each payment made to the registered holder of this Global Certificate.

Notices

Notices required to be given in respect of the Notes represented by this Global Certificate may be given by their being delivered (so long as this Global Certificate is held on behalf of Euroclear, Clearstream, Luxembourg or an Alternative Clearing System) to Euroclear, Clearstream, Luxembourg and/or such Alternative Clearing System, as the case may be, or otherwise to the

holder of this Global Certificate, rather than by publication as required by the Conditions. Any such notice shall be deemed to have been given to the holders of the Notes on the second business day after such notice is delivered to that clearing system for communication by it to the holders.

Notwithstanding the paragraph above, so long as the Notes are listed and/or admitted to trading, notices required to be given to the holders of the Notes pursuant to the Conditions shall also be published (if such publication is required) in a manner which complies with the rules and regulations of any stock exchange or other relevant authority on which the Notes are listed/and or admitted to trading.

This Global Certificate shall not become valid for any purpose until authenticated by or on behalf of the Registrar and, in the case of Registered Notes held under the NSS only, effectuated by the entity appointed as Common Safekeeper by the relevant Clearing Systems.

This Global Certificate and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

In witness whereof the Company has caused this Global Certificate to be signed manually by an authorised signatory of the Company on its behalf.

Other capitalised terms used in this Global Certificate shall have the meanings given to them in the Conditions or the Trust Deed.

Promise to Pay

The Company, for value received, promises to pay to or to the order of the holder of the Notes represented by this Global Certificate (subject to surrender of this Global Certificate if no further payment falls to be made in respect of such Notes) on the Maturity Date (or on such earlier date as the amount payable upon redemption under the Conditions may become repayable in accordance with the Conditions), the amount payable upon redemption under the Conditions in respect of the Notes represented by this Global Certificate, and (unless the Notes represented by this Certificate do not bear interest) to pay interest in respect of such Notes from and including the Interest Commencement Date in arrear at the rates, on the dates for payment, and in accordance with the methods of calculation provided for in the Conditions, together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions, but subject to the requirements as to certification provided herein.

Transfer of Notes represented by permanent Global Certificates

If the Schedule hereto states that the Notes are to be represented by a permanent Global Certificate on issue, transfers of the holding of Notes represented by this Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) upon the happening of any of the events defined in the Trust Deed as “Events of Default”; or
- (ii) if the CMU Service is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so and no alternative clearance system satisfactory to the Trustee is available; or

Schedule 2
Part C
Terms and Conditions of the Notes

Neither the Trust Deed constituting the Notes nor the Terms and Conditions of the Notes will contain any negative pledge covenant by the Company or any events of default other than those set out in Condition 10 below (which do not include, *inter alia*, a cross default provision).

The issuer of the Notes is Lloyds Banking Group plc (the “**Company**”). The Notes are constituted by a Trust Deed originally dated 30 March 2017 as amended and restated on 9 April 2018 (as modified and/or supplemented and/or restated as at the date of issue of the first Tranche of the Notes (the “**Issue Date**”), the “**Trust Deed**”) between the Company and The Law Debenture Trust Corporation p.l.c. (the “**Trustee**”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). These Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Coupons and Talons referred to below. An Agency Agreement dated 30 March 2017 and amended and restated on 9 April 2018 (as modified and/or supplemented and/or restated as at the Issue Date, the “**Agency Agreement**”) has been entered into in relation to the Notes between the Company, the Trustee, Citibank, N.A., London Branch, as issuing and paying agent and, in respect of CMU Notes (as defined below), Citicorp International Limited and the other agents named in it. The issuing and paying agent in respect of Notes other than CMU Notes, the issuing and paying agent in respect of CMU Notes, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “**Issuing and Paying Agent**”, the “**CMU Issuing and Paying Agent**”, the “**Paying Agents**” (which expression shall, where the context so permits, include the Issuing and Paying Agent and the CMU Issuing and Paying Agent), the “**Registrar**”, the “**Transfer Agents**” (which expression shall, where the context so permits, include the Registrar) and the “**Calculation Agent(s)**” provided that references in these Conditions to the Issuing and Paying Agent shall, in respect of CMU Notes, be construed as references to the CMU Issuing and Paying Agent. Copies of the Trust Deed and the Agency Agreement are available for inspection free of charge during usual business hours at the registered office of the Trustee (being, for the time being, Fifth Floor, 100 Wood Street, London EC2V 7EX) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the “**Coupons**”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “**Talons**”) (the “**Couponholders**”) are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

For the purpose of these Terms and Conditions, a “**Series**” means a series of Notes comprising one or more Tranches, whether or not issued on the same date, that (except in respect of the first payment of interest and their issue price) have identical terms on issue and are expressed to have the same series number. “**Tranche**” means, in relation to a Series, those Notes of that Series that are issued on the same date at the same issue price and in respect of which the first payment of interest is identical. “**Final Terms**” means, in relation to a Tranche, the final terms or pricing supplement issued specifying the relevant issue details of such Tranche, substantially in the form of Schedule C or Schedule D, respectively, to the programme agreement dated 9 April 2018 (as modified and/or supplemented and/or restated as at the Issue Date) between the Company, the co-arrangers and the other dealers named therein.

1 Form, Denomination and Title

The Notes are issued in bearer form (“**Bearer Notes**”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“**Registered Notes**”) or in bearer form exchangeable for

Registered Notes (“**Exchangeable Bearer Notes**”) in each case in the Specified Denomination(s) specified in the Final Terms.

Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

The Notes (i) bear interest calculated by reference to a fixed rate of interest (“**Fixed Rate Notes**”), (ii) bear interest calculated by reference to a fixed rate of interest for an initial period and thereafter by reference to a fixed rate of interest recalculated on one or more dates specified in the Final Terms and by reference to a mid-market swap rate for the Specified Currency or, where the Specified Currency is Sterling, either a Sterling mid-market swap rate or a rate determined by reference to a benchmark gilt (“**Fixed Rate Reset Notes**”), (iii) bear interest by reference to a floating rate of interest (“**Floating Rate Notes**”), (iv) are issued on a non-interest bearing basis (“**Zero Coupon Notes**”) or (v) are a combination of two or more of (i) to (iii) of the foregoing, as specified in the Final Terms.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

Registered Notes are represented by registered certificates (“**Certificates**”).

Title to the Bearer Notes and the Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Company shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “**Register**”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “**Noteholder**” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “**holder**” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them in the Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same aggregate nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 6(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and such other evidence as the Registrar or Transfer Agent may reasonably require to prove the title of the

transferor. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Company, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of the Company's or a Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 5(g)) or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Company, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may reasonably require).

(f) *Closed Periods*

(c) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 4(g). Such Interest Payment Date(s) is/are either specified in the Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are specified in the Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period specified in the Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Rate of Interest for Floating Rate Notes*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the Final Terms and the provisions below relating to any of ISDA Determination, Screen Rate Determination and/or Linear Interpolation shall apply, depending upon which is specified in the Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the Final Terms;
- (y) the Designated Maturity is a period specified in the Final Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the Final Terms.

provided that, if no Rate of Interest can be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined by the Calculation Agent in its sole and absolute discretion (though applying the Margin, Maximum Rate of Interest and/or Minimum Rate of Interest, if any, relating to the Interest Accrual Period).

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

- (x) Where Screen Rate Determination is specified in the Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below and subject to Condition 4(j), be either:
- (i) the offered quotation; or
 - (ii) the arithmetic mean of the offered quotations,
(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at the Relevant Time on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.
- (y) If the Relevant Screen Page is not available or if sub-paragraph (x)(i) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(ii) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Eurozone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the Relevant Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.
- (z) If, where paragraph (y) above applies, the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered at the Relevant Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Eurozone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which at the Relevant Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Company suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is

EURIBOR, the Eurozone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest applicable to such Notes on the Interest Commencement Date (though substituting, where a different Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(C) *Linear Interpolation*

Where Linear Interpolation is specified in the Final Terms as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified in the Final Terms as applicable) or the relevant Floating Rate Option (where ISDA Determination is specified in the Final Terms as applicable), one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period provided however that if there is no rate available for the period of time next shorter or, as the case may be, next longer, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“**Applicable Maturity**” means (a) in relation to Screen Rate Determination, the period of time designated in the Reference Rate and (b) in relation to ISDA Determination, the Designated Maturity.

(d) *Zero Coupon Notes*

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the due date for redemption, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield specified in the Final Terms.

(e) *Accrual of Interest*

Interest (if any) shall cease to accrue on each Note (or in the case of the redemption of part only of a Note, that part only of such Note) on the due date for redemption thereof unless (upon due presentation thereof where presentation is required), payment of principal is improperly withheld or refused or unless default is otherwise made in respect of payment, in which event, interest shall continue to accrue or, in the case of Zero Coupon Notes, shall accrue (in each case, both before and after judgment) at the

Rate of Interest in the manner provided in this Condition 4 to (but excluding) the Relevant Date (as defined in Condition 8).

(f) *Margin, Maximum Rate of Interest, Minimum Rates of Interest, Redemption Amounts and Rounding*

- (i) If any Margin is specified in the Final Terms (either (A) generally, (B) in relation to one or more Interest Accrual Periods or (C) in relation to one or more Reset Periods), an adjustment shall, unless the relevant Margin has already been taken into account in determining such Rate of Interest, be made to all Rates of Interest, in the case of (A), or the Rates of Interest for the specified Interest Accrual Periods or Reset Periods, in the case of (B) or (C), calculated, in each case, in accordance with this Condition 4 by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin subject always (in the case of Floating Rate Notes only) to the next paragraph.
- (ii) If any Maximum Rate of Interest or Minimum Rate of Interest or Redemption Amount is specified in the Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be. Further, unless otherwise stated in the Final Terms, the Minimum Rate of Interest shall be deemed to be zero.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (A) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (B) all figures shall be rounded to seven significant figures (with halves being rounded up) and (C) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country of such currency.

(g) *Calculations*

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified in the Final Terms and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be applied to the period for which interest is required to be calculated.

(h) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts*

The Calculation Agent shall as soon as practicable on each Interest Determination Date, Reset Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period (or, if determining the First Reset Rate of Interest or a Subsequent Reset Rate of Interest in respect of Fixed Rate Reset Notes, the Interest Amount for each Interest Accrual Period falling within the relevant Reset Period) calculate the Final Redemption Amount(s), Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and

cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount(s), Early Redemption Amount or Optional Redemption Amount to be notified to the Trustee, the Company, each of the Paying Agents, the Registrar, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange or admitted to listing by another relevant authority and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4(i), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and repayable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding on all parties.

(i) *Business Day Convention*

If any date that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is:

- (i) the “Floating Rate Business Day Convention”, for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen;
- (ii) the “Following Business Day Convention (Adjusted)”, for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day;
- (iii) the “Following Business Day Convention (Unadjusted)”, (a) for the purposes of calculating any amount of interest payable under the Notes, such date shall not be adjusted; and (b) for any other purpose, such date shall be postponed to the next day that is a Business Day;
- (iv) the “Modified Following Business Day Convention (Adjusted)”, for all purposes (including interest accrual purposes), such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day; or
- (v) the “Modified Following Business Day Convention (Unadjusted)”, (a) for the purposes of calculating any amount of interest payable under the Notes, such date shall not be adjusted; and (b) for any other purpose, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day;

- (vi) the “Preceding Business Day Convention (Adjusted)”, for all purposes (including interest accrual purposes), such date shall be brought forward to the immediately preceding Business Day; and

(j) *Benchmark discontinuation*

Notwithstanding the provisions above in Conditions 4(b) or 4(c), if a Benchmark Event occurs in relation to an Original Reference Rate when any required Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the following provisions of this Condition (j) shall apply.

(i) *Independent Adviser*

The Company shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Company determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(j)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(j)(iii)) and any Benchmark Amendments (in accordance with Condition 4(j)(iv)).

An Independent Adviser appointed pursuant to this Condition 4(j) shall act in good faith as an expert and (in the absence of bad faith or fraud) shall have no liability whatsoever to the Trustee, the Paying Agents, or the Noteholders for any determination made by it or for any advice given to the Company in connection with any determination made by the Company, pursuant to this Condition 4(j).

(ii) *Successor Rate or Alternative Rate*

If the Company, following consultation with the Independent Adviser and acting in good faith, determines that:

- (A) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 4(j)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(j)); or
- (B) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 4(j)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 4(j)).

(iii) *Adjustment Spread*

If the Company, following consultation with the Independent Adviser and acting in good faith, determines (A) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (B) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(iv) *Benchmark Amendments*

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(j) and the Company, following consultation with the Independent Adviser and acting in good faith, determines (A) that amendments to these Conditions and/or the Trust Deed are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the “**Benchmark Amendments**”) and (B) the terms of the Benchmark Amendments, then the Company shall, subject to giving notice thereof in accordance with Condition 4(j)(v), without any requirement for the consent or approval of Noteholders, vary these Conditions and/or the Trust Deed to give effect to such Benchmark Amendments with effect from the date specified in such notice.

At the request of the Company, but subject to receipt by the Trustee of a certificate signed by two authorised signatories of the Company pursuant to Condition 4(j)(v), the Trustee shall (at the expense of the Company), without any requirement for the consent or approval of the Noteholders, be obliged to concur with the Company in effecting any Benchmark Amendments (including, *inter alia*, by the execution of a deed supplemental to or amending the Trust Deed) and the Trustee shall not be liable to any party for any consequences thereof, provided that the Trustee shall not be obliged so to concur if in the sole opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend rights and/or the protective provisions afforded to the Trustee in these Conditions or the Trust Deed (including, for the avoidance of doubt, any supplemental trust deed) in any way.

In connection with any such variation in accordance with this Condition 4(j)(iv), the Company shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

Notwithstanding any other provision of this Condition 4(j), no Successor Rate, Alternative Rate or Adjustment Spread will be adopted, nor will any other amendment to the terms and conditions of any Series of Notes be made to effect the Benchmark Amendments, if and to the extent that, in the determination of the Company, the same could reasonably be expected to prejudice the qualification of the relevant Series of Dated Subordinated Notes as Tier 2 Capital and/or the relevant Series of Notes as eligible liabilities or loss absorbing capacity instruments for the purposes of the Loss Absorption Regulations.

(v) *Notices, etc.*

Any Successor Rate, Alternative Rate, Adjustment Spread and the specific terms of any Benchmark Amendments, determined under this Condition 4(j) will be notified promptly by the Company to the Trustee, the Calculation Agent, the Paying Agents and, in accordance with Condition 15, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

No later than notifying the Trustee of the same, the Company shall deliver to the Trustee a certificate signed by two authorised signatories of the Company:

- (A) confirming (x) that a Benchmark Event has occurred, (y) the Successor Rate or, as the case may be, the Alternative Rate and, (z) where applicable, any Adjustment Spread and/or the specific terms of any Benchmark Amendments, in each case as determined in accordance with the provisions of this Condition 4(j);
- (B) certifying that the Benchmark Amendments are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread; and

- (C) certifying that (i) the Company has duly consulted with an Independent Adviser with respect to each of the matters above or, if that is not the case, (ii) explaining, in reasonable detail, why the Company has not done so.

The Trustee shall be entitled to rely on such certificate (without enquiry or liability to any person) as sufficient evidence thereof. The Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) specified in such certificate will (in the absence of manifest error in the determination of the Successor Rate or Alternative Rate and the Adjustment Spread (if any) and the Benchmark Amendments (if any) and without prejudice to the Trustee's ability to rely on such certificate as aforesaid) be binding on the Company, the Trustee, the Calculation Agent, the Paying Agents and the Noteholders.

(vi) *Survival of Original Reference Rate*

Without prejudice to the obligations of the Company under Condition 4(j)(i) to (iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(b), Condition 4(c)(ii)(A) or Condition 4(c)(ii)(B)(z) as applicable will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(j)(iv).

- (ii) and also, for the purposes of any Dated Subordinated Notes only, if a Tax Law Change would:
- (A) prevent the Dated Subordinated Notes from being treated as loan relationships for United Kingdom tax purposes;
 - (B) as a result of the Dated Subordinated Notes being in issue, result in the Company not being able to have losses or deductions set against the profits or gains, or profits or gains offset by the losses or deductions, of companies with which it is or would otherwise be so grouped for applicable United Kingdom tax purposes (whether under the group relief system current as at the date of issue of the Dated Subordinated Notes or any similar system or systems having like effect as may from time to time exist);
 - (C) result in a United Kingdom tax liability, or the receipt of income or profit which would be subject to United Kingdom tax, in respect of a write down of the principal amount of the Dated Subordinated Notes; and/or
 - (D) result in a Dated Subordinated Note or any part thereof being treated as a derivative or an embedded derivative for United Kingdom tax purposes,

(d) *Redemption of Dated Subordinated Notes following the occurrence of a Capital Disqualification Event*

Where a Capital Disqualification Event Call is specified as being applicable in the Final Terms relating to Dated Subordinated Notes, the Company may at its option but subject to Condition 5(j), having given not less than 30 nor more than 60 days’ notice in accordance with Condition 15, redeem all but not some only of the Notes outstanding (if the Notes are Floating Rate Notes) on the next Interest Payment Date or (if the Notes are not Floating Rate Notes) at any time at the Early Redemption Amount, together (if applicable) with any accrued but unpaid interest up to (but excluding) the date fixed for redemption, if immediately prior to the giving of the notice referred to above, it satisfies the Trustee that a Capital Disqualification Event has occurred.

In these Conditions:

A “**Capital Disqualification Event**” shall be deemed to have occurred if at any time the Company determines that there is a change (which has occurred or which the Relevant Regulator considers to be

sufficiently certain) in the regulatory classification of the relevant series of Dated Subordinated Notes, in any such case becoming effective on or after the Issue Date, that results, or would be likely to result, in the entire principal amount of such series of Dated Subordinated Notes being excluded from the Tier 2 Capital of the Company and/or the Group (other than as a result of any applicable limitation on the amount of such capital).

“Group” means Lloyds Banking Group plc and its subsidiaries and subsidiary undertakings from time to time.

“Relevant Regulator” means the Bank of England acting as the Prudential Regulation Authority through its Prudential Regulation Committee or such other governmental authority in the United Kingdom (or if the Company becomes domiciled in a jurisdiction other than the United Kingdom, in such other jurisdiction) having primary supervisory authority with respect to the Company and/or the Group.

(e) *Redemption Due to Loss Absorption Disqualification Event*

Where a Loss Absorption Disqualification Event is specified as being applicable in the relevant Final Terms relating to Senior Notes, the Company may at its option but subject to Condition 5(j), having given not less than 30 nor more than 60 days’ notice in accordance with Condition 15, redeem all but not some only of the Senior Notes outstanding (if the Notes are Floating Rate Notes) on the next Interest Payment Date or (if the Notes are not Floating Rate Notes) at any time at the Early Redemption Amount, together (if applicable) with any accrued but unpaid interest up to (but excluding) the date fixed for redemption, if immediately prior to the giving of the notice referred to above, it satisfies the Trustee that a Loss Absorption Disqualification Event has occurred.

In these Conditions:

A **“Loss Absorption Disqualification Event”** shall be deemed to have occurred if, as a result of any amendment to, or change in, the Loss Absorption Regulations, or any change in the application or official interpretation of the Loss Absorption Regulations, in any such case becoming effective on or after the Issue Date of the first Tranche of the Senior Notes, such Notes are or (in the opinion of the Company, the Relevant Regulator and/or the United Kingdom resolution authority) are likely to be fully or (if so specified in the applicable Final Terms) partially excluded from the Company’s and/or the Group’s minimum requirements for (A) own funds and eligible liabilities and/or (B) loss absorbing capacity instruments, in each case as such minimum requirements are applicable to the Company and/or the Group and determined in accordance with, and pursuant to, the relevant Loss Absorption Regulations; provided that a Loss Absorption Disqualification Event shall not occur where the exclusion of the Notes from the relevant minimum requirement(s) is due to the remaining maturity of the Senior Notes being less than any period prescribed by any applicable eligibility criteria for such minimum requirements under the relevant Loss Absorption Regulations effective with respect to the Company and/or the Group on the Issue Date of the first Tranche of the Senior Notes.

“Loss Absorption Regulations” means, at any time, the laws, regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments of the United Kingdom, the Relevant Regulator, the United Kingdom resolution authority, the Financial Stability Board and/or of the European Parliament or of the Council of the European Union then in effect in the United Kingdom including, without limitation to the generality of the foregoing, any delegated or implementing acts (such as regulatory technical standards) adopted by the European Commission and any regulations, requirements, guidelines, rules, standards and policies relating to minimum requirements for own funds and eligible liabilities and/or loss absorbing capacity instruments adopted by the Relevant Regulator and/or the United Kingdom

resolution authority from time to time (whether or not such regulations, requirements, guidelines, rules, standards or policies are applied generally or specifically to the Company or to the Group).

(f) Redemption at the Option of the Company

If Call Option is specified in the Final Terms, the Company may at its option but subject to Condition 5(j), on giving not less than 30 nor more than 60 days' irrevocable notice to the Noteholders and the Trustee (or such other notice period as may be specified in the Final Terms), redeem all or, if so provided, some only of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount specified in the Final Terms (which may be the Early Redemption Amount (as described in Condition 5(b) above)), together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws, stock exchange requirements or the requirements of any other relevant authority.

(g) Redemption at the Option of Noteholders other than holders of Dated Subordinated Notes

If Put Option is specified in the Final Terms in respect of Senior Notes, the Company shall, at the option of the holder of any Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Company (or such other notice period as may be specified in the Final Terms), redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount specified in the Final Terms (which may be the Early Redemption Amount (as described in Condition 5(b) above)), together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Company.

(h) Purchases

Subject to Condition 5(j) in the case of Dated Subordinated Notes, the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company may, but is not obliged to, purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Any Notes so purchased or otherwise acquired may, at the Company's discretion, be held or resold or surrendered for cancellation.

(i) Cancellation

All Notes purchased by or on behalf of the Company or any of its subsidiaries or any holding company of the Company or any other subsidiary of any such holding company may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Issuing and Paying Agent and, in the case of Registered

Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Company, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Company in respect of any such Notes shall be discharged.

(j) *Conditions to Redemption and Purchase*

Any redemption or purchase of Dated Subordinated Notes in accordance with Conditions 5(c), (d), (f) or (h) is subject to:

- (B) in respect of any redemption of the relevant Dated Subordinated Notes proposed to be made prior to the fifth anniversary of the Issue Date, if and to the extent then required under the relevant Regulatory Capital Requirements (a) in the case of redemption following the occurrence of a Tax Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change or event is material and was not reasonably foreseeable by the as at the Issue Date or (b) in the case of redemption following the occurrence of a Capital Disqualification Event, the Company having demonstrated to the satisfaction of the Relevant Regulator that the relevant change was not reasonably foreseeable by the Company as at the Issue Date; and
- (C) if and to the extent then required under the prevailing Regulatory Capital Requirements (a) on or before the relevant redemption date, the Company replacing the Dated Subordinated Notes with instruments qualifying as own funds of equal or higher quality on terms that are sustainable for the income capacity of the Company or (b) the Company demonstrating to the satisfaction of the Relevant Regulator that its Tier 1 capital and Tier 2 capital would, following such redemption, exceed its minimum capital requirements by a margin that the Relevant Regulator may consider necessary at such time based on the Regulatory Capital Requirements.

Notwithstanding the above conditions, if, at the time of any redemption or purchase, the prevailing Regulatory Capital Requirements permit the repayment or purchase only after compliance with one or more alternative or additional pre-conditions to those set out above in this Condition 5(j), the Company shall comply with such other and/or, as appropriate, additional pre-condition(s).

In these Conditions, “**Regulatory Capital Requirements**” means any applicable minimum capital or capital requirement specified for banks or financial groups by the Relevant Regulator.

Any redemption or purchase of Senior Notes in accordance with this Condition 5 (other than redemption on the relevant Maturity Date) is subject to, if and to the extent then required by the Relevant Regulator or the Loss Absorption Regulations, the Company giving notice to the Relevant Regulator and the Relevant Regulator granting permission to the Company to redeem or purchase the relevant Senior Notes.

Prior to the publication of any notice of redemption pursuant to this Condition 5 (other than redemption on the relevant Maturity Date), the Company shall deliver to the Trustee a certificate signed by two Directors of the Company, in a form satisfactory to the Trustee, certifying that the relevant requirement or circumstance giving rise to the right to redeem is satisfied, including (in the case of a Tax Event or a Capital Disqualification Event or a Loss Absorption Disqualification Event (as applicable)) that a Tax Event (as defined in Condition 5(c) above) or a Capital Disqualification Event (as defined in Condition 5(d) above) or a Loss Absorption Disqualification Event (as defined in Condition 5(e) above) (as applicable) exists. The Trustee may accept such certificate without any

further inquiry as sufficient evidence of the existence of the circumstances required to be established in which event it shall be conclusive and binding on the Company, the Trustee, the Noteholders and the Couponholders and the Trustee will not be responsible for any loss that maybe occasioned by the Trustee's acting or relying on such certificate.

6 Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (and, in the case of interest, as specified in Condition 6(f)(v)) or Coupons (in the case of interest, save as specified in Condition 6(f)(ii)), as the case may be:

- (i) in the case of a currency other than euro or Renminbi, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a bank in the principal financial centre for such currency;
- (ii) in the case of euro, at the specified office of any Paying Agent outside the United States by a cheque payable in euro drawn on, or, at the option of the holder, by transfer to an account denominated in euro with, a bank in a city in which banks have access to the TARGET System; and

Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph (a) above, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank in the principal financial centre of such currency; and

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Company shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to

make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Company, any adverse tax consequence to the Company.

(d) *Payments subject to Fiscal Laws*

Save as provided in Condition 8, payments will be subject in all cases to any other applicable fiscal or other laws and regulations in the place of payment or other laws and regulations to which the Company or its respective Agents agree to be subject and the Company will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations or agreements.

No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. The Company reserves the right to require a Noteholder or Couponholder to provide a Paying Agent, the Registrar or a Transfer Agent with such certification or information as may be required to enable the Company to comply with the requirements of the United States federal income tax laws or any agreement between the Company and any taxing authority.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the other Paying Agents, the Registrar and the Transfer Agents initially appointed by the Company and their respective specified offices are listed below. Subject as provided in the Trust Deed and the Agency Agreement, the Issuing and Paying Agent, the other Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent act solely as agents of the Company and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Company reserves the right at any time with the approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Company shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes which may be the Registrar, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Paying Agent having a specified office in Europe, which, so long as the Notes are listed on the official list (the “**Official List**”) of the designated competent authority from time to time under the Financial Services and Markets Act 2000 (the “**UK Listing Authority**”) and are admitted to trading on the London Stock Exchange plc’s Regulated Market, shall be in London and (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case as approved by the Trustee. In addition, the Company shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders by the Company in accordance with Condition 15.

(f) *Unmatured Coupons and unexchanged Talons*

- (i) Upon the due date for redemption of Bearer Notes which comprise Fixed Rate Notes (other than any Fixed Rate Notes where the total value of the unmatured coupons appertaining thereto exceeds the nominal amount of such Note), such Notes should be surrendered for payment together with all unmatured Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount(s),

Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note or (where the total value of the unmatured coupons exceeds the nominal amount of such Note) a Fixed Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Company may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days*

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph and paragraph 6(i) (*Payment of Alternative Currency Equivalent*) below, “**business day**” means a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “Additional Financial Centres” in the Final Terms and:

- (i) (in the case of a payment in a currency other than euro or Renminbi) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in Renminbi) on which commercial banks and foreign exchange markets in Hong Kong are open for business and settlement of Renminbi payments; or

(iii) (in the case of a payment in euro) which is a TARGET Business Day.

(i) *Payment of Alternative Currency Equivalent*

Where Alternative Currency Equivalent is specified in the relevant Final Terms as being applicable to a Series of Notes, if (following a written request from the Company that the Alternative Currency Adjudication Agent makes a determination pursuant to this Condition 6(i)), by reason of a Scheduled Payment Currency Disruption Event, it would, in the opinion of the Alternative Currency Adjudication Agent, be commercially impracticable for the Company to satisfy any payment obligation in respect of the Notes when due in the Scheduled Payment Currency, then the Company may take the action described in paragraph (a), (b), (c) or (d) below:

- (a) determine that the relevant payment of the Company in respect of the Notes be postponed to a date which falls after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist (in the determination of the Alternative Currency Adjudication Agent) provided that such postponement does not exceed the number of Business Days (such number, the “**Maximum Days of Postponement**”) specified in the relevant Final Terms, or, if that would not be commercially reasonable, as soon as commercially reasonable thereafter, in which case the relevant payment will be due on the date as so postponed, without any interest or other sum payable in respect of the postponement of the payment of such amount;
- (b) determine that the Company’s obligation to make any payment in respect of the Notes in the Scheduled Payment Currency be replaced by an obligation to make payment of the Alternative Currency Equivalent of such payment, in which case, it will settle any such obligation by payment of the relevant Alternative Currency Equivalent on the due date for payment;
- (c) determine that the relevant payment in respect of the Notes be postponed to a date which falls after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist (in the determination of the Alternative Currency Adjudication Agent) provided that such postponement does not exceed the Maximum Days of Postponement after the date on which the relevant Scheduled Payment Currency Disruption Event ceases to exist, or, if, in the determination of the Alternative Currency Adjudication Agent, that would not be commercially reasonable, as soon as commercially reasonable thereafter (such postponed payment date, the “**Postponed Payment Date**”), and that the Company’s obligation to make payment in respect of the Notes in the Scheduled Payment Currency be replaced by an obligation to make payment of the Alternative Currency Equivalent, in which case, it will settle any such obligation by payment of the relevant Alternative Currency Equivalent on the Postponed Payment Date, without any interest or other sum payable in respect of the postponement of the payment of such amount; or
- (d) give notice to the Noteholders in accordance with Condition 15 and redeem all, but not some only, of the Notes on a date selected by the Company, by payment of the Alternative Currency Equivalent of, or, if so specified in such notice, an amount in the Scheduled Payment Currency equal to, the Early Redemption Amount. Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 15.

Any payment made in the Alternative Currency under such circumstances will constitute valid payment, and will not constitute a default in respect of the Notes.

Upon the occurrence of a Scheduled Payment Currency Disruption Event and the Alternative Currency Adjudication Agent making a determination that, by reason of such Scheduled Payment Currency Disruption Event, it would, in the opinion of the Alternative Currency Adjudication Agent, be commercially impracticable for the Company to satisfy its payment obligations in respect of the Notes when due in the Scheduled Payment Currency, the Company shall give notice as soon as practicable to

Noteholders in accordance with Condition 15 stating the occurrence of the Scheduled Payment Currency Disruption Event, giving details thereof and the action proposed to be taken in relation thereto.

In making any determination in respect of any Scheduled Payment Currency Disruption Event, neither the Company nor the Alternative Currency Adjudication Agent shall have regard to any interests arising from circumstances particular to individual Noteholders (whatever their number), and, in particular, but without limitation, shall not have regard to the consequences of any such determination for individual Noteholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and no Noteholder shall be entitled to claim from the Company, the Alternative Currency Adjudication Agent or any other person any indemnification or payment in respect of any tax consequences of any such determination upon individual Noteholders.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6(i) by the Company or the Alternative Currency Calculation Agent will (in the absence of wilful default, bad faith or manifest error) be binding on the Company, the Agents and all Noteholders.

7 Dated Subordinated Notes - Substitution or Variation following a Capital Disqualification Event

Where Capital Disqualification Event Substitution and Variation is specified in the Final Terms in respect of Dated Subordinated Notes as being applicable and the Company has satisfied the Trustee that a Capital Disqualification Event (as defined in Condition 5(d)) has occurred and is continuing, then the Company may, subject to the other provisions of this Condition 7 (without any requirement for the consent or approval of the Noteholders or the Trustee (subject to the notice requirements below)) either substitute all (but not some only) of the Dated Subordinated Notes for, or vary the terms of the Dated Subordinated Notes so that they remain or, as appropriate, become, Compliant Securities. Upon the expiry of the notice required by this Condition 7, the Company shall either vary the terms of, or substitute, the Dated Subordinated Notes in accordance with this Condition 7, as the case may be and, subject as set out below, the Trustee shall agree to such substitution or variation.

In connection with any substitution or variation in accordance with this Condition 7, the Company shall comply with the rules of any stock exchange on which such Notes are for the time being listed or admitted to trading.

Any substitution or variation in accordance with this Condition 7 is subject to the Company (i) obtaining the permission therefor from the Relevant Regulator, provided that at the relevant time such permission is required to be given; and (ii) giving not less than 30 nor more than 60 calendar days' notice to the Noteholders and the Couponholders (which notice shall be irrevocable), the Trustee and the Paying Agents, in accordance with Condition 15, which notice shall be irrevocable.

Any substitution or variation in accordance with this Condition 7 does not otherwise give the Company an option to redeem the relevant Notes under the Conditions.

Prior to the publication of any notice of substitution or variation pursuant to this Condition 7, the Company shall deliver to the Trustee a certificate signed by two authorised signatories of the Company stating that the Capital Disqualification Event giving rise to the right to substitute or vary has occurred and is continuing as at the date of the certificate and the Trustee shall accept such certificate without any further inquiry as sufficient evidence of the occurrence of a Capital Disqualification Event in which event it shall be conclusive and binding on the Trustee, the Couponholders and the Noteholders.

The Trustee shall concur in the substitution of the Dated Subordinated Notes for, or the variation of the terms of the relevant Notes so that they remain or become, Compliant Securities, provided that the Trustee shall not be obliged to concur in any such substitution or variation if the terms of the proposed alternative Compliant Securities or the concurring in such substitution or variation would impose, in the Trustee's opinion, more onerous obligations upon it or require the Trustee to incur any liability for which it is not indemnified and/or secured and/or pre-funded to its satisfaction.

The Trustee may rely without liability to Noteholders or Couponholders on a report, confirmation, certificate or any advice of any accountants, financial advisers, financial institutions or any other experts, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee may accept and shall be entitled to rely on any such report, confirmation, certificate or advice and such report, confirmation, certificate or advice shall be binding on the Company, the Trustee, the Noteholders and the Couponholders.

As used in this Condition 7:

“Compliant Securities” means securities issued directly or indirectly by the Company that:

- (a) are issued by the Company or any wholly-owned direct or indirect finance subsidiary of the Company with a subordinated guarantee of such obligations by the Company;
- (b) rank (or if guaranteed by the Company benefit from a guarantee that ranks) equally with the ranking of the Dated Subordinated Notes;
- (c) have terms not materially less favourable to Noteholders than the terms of the Dated Subordinated Notes (as reasonably determined by the Company in consultation with an independent investment bank of international standing, and provided that a certification to such effect of two Directors of the Company shall have been delivered to the Trustee prior to the issue of the relevant securities), provided that such securities
 - (1) contain terms such that they comply with the then Regulatory Capital Requirements in relation to Tier 2 Capital;
 - (2) include terms which provide for the same (or, from a Noteholder’s perspective, more favourable) Rate of Interest from time to time, Interest Payment Dates, (in relation to any Dated Subordinated Notes) Maturity Date and Early Redemption Amount(s) as apply from time to time to the relevant Series of Dated Subordinated Notes immediately prior to such substitution or variation;
 - (3) shall preserve any existing rights under the Conditions to any accrued interest, principal and/or premium which has not been satisfied;
 - (4) do not contain terms providing for the mandatory or voluntary deferral of payments of principal and/or interest;
 - (5) do not contain terms providing for loss absorption through principal write down, write-off or conversion to ordinary shares; and
 - (6) are otherwise not materially less favourable to Noteholders;
- (d) are listed on (i) the regulated market of the London Stock Exchange or (ii) such other EEA regulated market as selected by the Company and approved in writing by the Trustee; and
- (e) where the Dated Subordinated Notes which have been substituted or varied had a published rating from a Rating Agency immediately prior to their substitution or variation each such Rating Agency has ascribed, or announced its intention to ascribe, an equal or higher published rating to the relevant Dated Subordinated Notes.

“Rating Agency” means Fitch Ratings Limited or Moody’s Investors Service Ltd. or Standard & Poor’s Credit Market Services Europe Limited or their respective successors.

8 Taxation

All payments of principal and/or interest (if any) by or on behalf of the Company in respect of the Notes and the Coupons shall be made without withholding or deduction for or on account of any present or future tax, duty, assessment or governmental charge of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In that event, the Company shall (i) in the case of Senior Notes, pay such additional amounts in relation to principal and/or interest (if any), or (ii) in the case of Dated Subordinated Notes, pay such additional amounts in relation to interest only, as will result (after such withholding or deduction) in receipt by the Noteholders and the Couponholders of the amount of (in the case of Senior Notes only) principal and (in the case of any Notes) interest (if any) which would have been

receivable (in the absence of such withholding or deduction) from it in respect of their Notes and/or Coupons, as the case may be; except that no such additional amounts shall be payable with respect to any Note or Coupon:

- (a) presented for payment by or on behalf of any holder who is liable to such tax, duty, assessment or governmental charge in respect of such Note or Coupon by reason of such holder having some connection with the United Kingdom other than the mere holding of such Note or Coupon; or
- (b) to, or to a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in the United Kingdom, unless such holder proves that he is not entitled so to comply or to make such declaration or claim; or
- (c) to, or to a third party on behalf of, a holder that is a partnership, or a holder that is not the sole beneficial owner of the Note or Coupon, or which holds the Note or Coupon in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment at the expiry of such period of 30 days.

Notwithstanding any other provision of the Terms and Conditions of the Notes or the Trust Deed, any amounts to be paid on the Notes by or on behalf of the Company, will be paid net of any deduction or withholding imposed or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), or otherwise imposed pursuant to Sections 1471 through 1474 of the Code (or any regulations thereunder or official interpretations thereof) or an intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any fiscal or regulatory legislation, rules or practices implementing such an intergovernmental agreement) (any such withholding or deduction, a “**FATCA Withholding**”). Neither the Company nor any other person will be required to pay any additional amounts in respect of FATCA Withholding.

As used herein:

The “**Relevant Date**” in respect of any payment means the date on which such payment first becomes due or (if the full amount of the moneys payable has not been duly received by the Issuing and Paying Agent or the Trustee on or prior to such date) the date on which notice is given to the Noteholders that such moneys have been so received.

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 or any amendment or supplement to them and (iii) “**principal**” and/or “**interest**” (other than such interest as is referred to in Condition 10(g)) shall be deemed to include any additional amounts that may be payable under this Condition 8 or under any obligations undertaken in addition thereto or in substitution therefor under the Trust Deed.

For the avoidance of doubt, the Company shall not pay any additional amounts under this Condition 8 in respect of the principal of a Dated Subordinated Note.

9 Prescription

Claims for payment of principal (excluding principal comprised in a withheld amount) will become void 12 years, and claims for payment of interest (other than interest comprised in, or accrued on, a withheld amount) will become void six years, after the Relevant Date (as defined in Condition 8) relating thereto. Claims in respect of principal comprised in a withheld amount and claims in respect of interest comprised in, or accrued on, a withheld amount will, in the case of such principal, become void 12 years and will, in the case of such interest, become void six years after the due date for payment thereof as specified in Condition 10(f) or, if the full amount of the moneys payable has not been duly received by the Issuing and Paying Agent, another Paying Agent, the Registrar, a Transfer Agent or the Trustee, as the case may be, on or prior to such date, the date of which notice is given in accordance with Condition 15 that the relevant part of such moneys has been so received.

The prescription period in respect of Talons shall be:

- (a) as to any Talon the original due date for exchange of which falls within the 12 years immediately prior to the due date for redemption (pursuant to Condition 5) of the Note to which it pertains, six years from the Relevant Date for the redemption of such Note, but so that the Coupon sheet for which it is exchangeable shall be issued without any Coupon itself prescribed in accordance with this Condition 9 or the Relevant Date for payment of which would fall after the Relevant Date for the redemption of the relevant Note and without a Talon; and
- (b) as to any other Talon, 12 years from the Relevant Date for payment of the last Coupon of the Coupon sheet of which it formed part.

10 Events of Default and Enforcement

- (a) If the Company shall not make payment of any principal or any interest in respect of the Notes for a period of 14 days or more after the due date for the same, the Trustee may:
 - (i) in respect of Unrestricted Events of Default Senior Notes, at any time at its discretion and without notice institute such proceedings and/or take such other action as it may think fit against or in relation to the Company to enforce its obligations under the Unrestricted Events of Default Senior Notes; or
 - (ii) in respect of Restricted Events of Default Senior Notes and Dated Subordinated Notes, institute proceedings for the winding-up of the Company, but may (without prejudice to Conditions 3(c) or 10(b)) take no other action in respect of such default,

provided that it shall not have the right to institute such proceedings and/or, as the case may be, to take such other action if the Company withholds or refuses any such payment (A) (subject to Condition 8) in order to comply with any fiscal or other law or regulation, with the order of any court of competent jurisdiction or with any agreement between the Company and any taxing authority, in each case applicable to such payment, the Company, the relevant Paying Agent, Transfer Agent or Registrar or the holder of the Note or Coupon or (B) (subject as provided in the Trust Deed) in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice as to such validity or applicability given at any time during the said period of 14 days by independent legal advisers acceptable to the Trustee.

For the purposes of this Condition 10, “**Restricted Events of Default Senior Notes**” means any Senior Notes which specify in the Final Terms that Senior Notes Restricted Events of Default are applicable and “**Unrestricted Events of Default Senior Notes**” shall mean all other Senior Notes.

- (b) In respect of Senior Notes, if otherwise than for the purposes of reconstruction or amalgamation on terms previously approved in writing by the Trustee, an order is made or an effective resolution is

passed for winding-up the Company, the Trustee may at its discretion give notice to the Company that the Senior Notes are, and they shall accordingly immediately become, due and repayable at their Early Redemption Amount, together with accrued interest (calculated as provided in the Trust Deed).

- (c) The Trustee shall not be bound to institute proceedings and/or take the action referred to in Condition 10(a), 10(b), 10(d) or 3(c) to enforce the obligations of the Company in respect of the Notes and Coupons or to take any other actions under the Trust Deed unless (i) it shall have been so requested by Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders or in writing by the holders of at least one-fifth in nominal amount of the Notes then outstanding (as defined in the Trust Deed) and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.
- (d) No Noteholder or Couponholder shall be entitled to institute such proceedings and/or take such other action as is referred to in Condition 10(a)(i) above or institute proceedings for the winding-up of the Company as is referred to in Condition 10(a)(ii) above, or to prove in such winding-up, except that if the Trustee, having become bound to proceed against the Company as aforesaid, fails (or is unable) to do so, or, being able to prove in such winding-up, fails to do so, in either case within a reasonable period and such failure (or inability) is continuing, then any such holder may, on giving an indemnity satisfactory to the Trustee, in the name of the Trustee (but not otherwise), himself institute such proceedings and/or take such other action or institute proceedings for the winding-up of the Company and/or prove in such winding-up to the same extent (but not further or otherwise) that the Trustee would have been entitled so to do. In the case of Restricted Events of Default Senior Notes and Dated Subordinated Notes, no remedy against the Company, other than the institution of proceedings for the winding-up of the Company or, as the case may be, proving in the winding-up of the Company in the manner and by the persons aforesaid, shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the Company of any of its obligations under the Notes or the Trust Deed (other than for recovery of the Trustee's remuneration or expenses).
- (e) The Company has undertaken in the Trust Deed to pay UK stamp and other duties (if any) on or in connection with the execution of the Trust Deed and UK, Belgian (in the case of Notes other than CMU Notes), Luxembourg (in the case of Notes other than CMU Notes) and Hong Kong (in the case of CMU Notes only) stamp and other duties or taxes (if any) payable on or in connection with the constitution and original issue of any Global Note or any Global Certificate or the Definitive Notes or the Coupons (provided such stamp and other duties or taxes result from laws applicable on or prior to the date 40 days after the Issue Date specified in the Final Terms of such Notes and, in the case of exchange of Global Notes for Definitive Notes, such tax results from laws applicable on or prior to the date of such exchange) and stamp and other duties or taxes (if any) payable in the United Kingdom (but not elsewhere) solely by virtue of and in connection with any permissible proceedings under the Trust Deed or the Notes to enforce the provisions of the Notes, Certificates, Coupons, Talons or the Trust Deed, save that the Company shall not be liable to pay any such stamp or other duties or taxes to the extent that the obligation arises or the amount payable is increased by reason of the holder at the relevant time unreasonably delaying in producing any relevant document for stamping or similar process. Subject as aforesaid, the Company will not be otherwise responsible for stamp or other duties or taxes otherwise imposed and in particular (but without prejudice to the generality of the foregoing) for any penalties arising on account of late payment where due by the holder at the relevant time. Any such stamp or other duties or taxes that might be imposed upon or in respect of Notes in temporary global, permanent global or definitive form or the Coupons or Talons (in each case other than as aforesaid) are the liability of the holders thereof.
- (f) If payment to any Noteholder of any amount due in respect of the Notes (other than interest) is improperly withheld or refused (any withholding or refusal effected in reliance upon the proviso to

Condition 10(a) where the relevant law, regulation or order proves subsequently not to be valid or applicable shall be treated, for the purpose of ascertaining entitlement to accrued interest but not for any other purpose, as if it had been at all times an improper withholding or refusal), interest shall accrue until, but excluding, the date on which notice is given in accordance with Condition 15 that the full amount in the Specified Currency payable in respect of such Notes is available for payment or the date of payment, whichever first occurs and shall be calculated by applying the Rate of Interest determined in accordance with these Conditions on the first day of the then current Interest Period (and each relevant Interest Period (if any) thereafter) to such amount withheld or refused, multiplying the sum by the relevant Day Count Fraction for such Interest Period and rounding the resultant figure to the nearest unit (as such term is defined in Condition 4(f)(iii)).

- (g) If, in reliance upon the proviso to Condition 10(a), payment of any amount (each a “**withheld amount**”) in respect of the whole or any part of the principal and/or any interest due in respect of the Notes, or any of them, is not paid or provided by the Company to the Trustee or to the account of or with the Issuing and Paying Agent, or is withheld or refused by any of the Paying Agents, the Registrar or the Transfer Agents, in each case other than improperly within the meaning of Condition 10(e), or which is paid or provided after the due date for payment thereof, such withheld amount shall, where not already an interest bearing deposit, if lawful, promptly be so placed, all as more particularly described in the Trust Deed. If subsequently it shall be or become lawful to make payment of such withheld amount in the Specified Currency, notice shall be given in accordance with Condition 15, specifying the date (which shall be no later than seven days after the earliest date thereafter upon which such interest bearing deposit falls or may (without penalty) be called due for repayment) on and after which payment in full of such withheld amount (or that part thereof which it is lawful to pay) will be made. In such event (but subject in all cases to any applicable fiscal or other law or regulation or the order of any court of competent jurisdiction), the withheld amount or the relevant part thereof, together with interest accrued thereon from, and including, the date the same was placed on deposit to, but excluding, the date upon which such interest bearing deposit was repaid, shall be paid to (or released by) the Issuing and Paying Agent for payment to the relevant holders of Notes and/or Coupons, as the case may be (or, if the Issuing and Paying Agent advises the Company of its inability to effect such payment, shall be paid to (or released by) such other Paying Agent, Registrar or Transfer Agent (as the case may be) as there then may be or, if none, to the Trustee, in any such case for payment as aforesaid). For the purposes of Condition 10(a), the date specified in the said notice shall become the due date for payment in respect of such withheld amount or the relevant part thereof. The obligations under this Condition 10(f) shall be in lieu of any other remedy otherwise available under these Conditions, the Trust Deed or otherwise in respect of such withheld amount or the relevant part thereof.
- (h) Any interest payable as provided in Condition 10(f) above shall be paid net of any taxes applicable thereto and Condition 8 shall not apply in respect of the payment of any such interest.

11 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking proceedings unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Company and/or any subsidiary and/or any holding company of the Company and/or any other subsidiary of any such holding company without accounting for any profit resulting therefrom.

12 Meetings of Noteholders, Modification, Waiver and Substitution

(a) Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust

Deed) of a modification of any of these Conditions or any of the provisions of the Notes, the Coupons or the Trust Deed, except that certain provisions of the Trust Deed may only be modified subject to approval by Extraordinary Resolution passed at a meeting of Noteholders to which special quorum provisions shall have applied. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

These Conditions may be amended, modified or varied in relation to any Series of Notes.

(b) Modification of the Trust Deed

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of the provisions of the Trust Deed that is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders. In addition, the Trustee shall be obliged to concur with the Company in effecting any Benchmark Amendments in the circumstances and as otherwise set out in Condition 4(j) without the consent of the Noteholders or Couponholders. Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable in accordance with Condition 15.

(c) Substitution – Senior Notes

The Trustee shall agree, if requested by the Company and subject to such amendment of the Trust Deed and such other conditions as the Trustee may reasonably require, but without the consent of the Noteholders or the Couponholders, to the substitution, subject to the Notes and the Coupons being unconditionally and irrevocably guaranteed by the Company on an unsubordinated basis, of a subsidiary of the Company or a holding company of the Company or another subsidiary of any such holding company in place of the Company as principal debtor under the Trust Deed, the Notes and the Coupons and as a party to the Agency Agreement.

(d) Substitution – Dated Subordinated Notes

Without prejudice to the provisions of Condition 7, the Trustee shall agree, if requested by the Company and subject to such amendment of the Trust Deed and such other conditions as the Trustee may reasonably require, but without the consent of the Noteholders or the Couponholders, to the substitution, subject to the Notes and the Coupons being irrevocably guaranteed by the Company on a subordinated basis equivalent to that mentioned in Condition 3(c), of a subsidiary of the Company or a holding company of the Company or another subsidiary of any such holding company in place of the Company as principal debtor under the Trust Deed, the Notes and the Coupons and as a party to the Agency Agreement and so that the claims of the Noteholders and the Couponholders may, in the case of the substitution of a holding company of the Company or a banking company (as defined in the Trust Deed) in the place of the Company, also be subordinated to the rights of depositors and other unsubordinated and (subject as follows) subordinated creditors of that holding company or banking company provided that such claims will rank at least *pari passu* with the claims of all holders of obligations of such substitute obligor which constitute, or would but for any applicable limitation on the amount of such capital constitute, Tier 2 Capital of such substitute obligor or the prudential group of which it forms a part.

(e) Change of Governing Law

In the case of a substitution pursuant to Condition 12(c) or Condition 12(d) the Trustee may in its absolute discretion agree, without the consent of the Noteholders or Couponholders, to a change of the

law governing the Notes, the Coupons, the Talons and/or the Trust Deed and/or the Agency Agreement provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders.

(f) Entitlement of the Trustee

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Noteholders as a class and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory. No Noteholder or Couponholder shall, in connection with any such modification, waiver, authorisation or substitution, be entitled to claim, and the Trustee shall not be entitled to require, from the Company any indemnification or payment in respect of any tax or other consequence of any such exercise upon individual Noteholders or Couponholders except to the extent provided for by Condition 8.

(g) Permission of the Relevant Regulator

Any substitution, variation or modification of the Dated Subordinated Notes or (to the extent such substitution, variation or modification relates to Dated Subordinated Notes which are outstanding) the Trust Deed in accordance with this Condition 12 is subject to the Company obtaining the permission therefor from the Relevant Regulator, provided that at the relevant time such permission is required to be given.

13 Replacement of Notes, Certificates, Coupons and Talons

- (a) If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Issuing and Paying Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other place of which notice shall be given in accordance with Condition 15 in each case on payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, inter alia, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Company on demand the amount payable by the Company in respect of such Note, Certificate, Coupon or further Coupons) and otherwise as the Company may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued. In addition, the Company may require the person requesting delivery of a replacement Note, Certificate, Coupon or Talon to pay, prior to delivery of such replacement Note, Certificate, Coupon or Talon, any stamp or other tax or governmental charges required to be paid in connection with such replacement. No replacement Note shall be issued having attached thereto any Coupon or Talon, claims in respect of which shall have become void pursuant to Condition 9.

(b) Where:

- (i) a Talon (the “**relevant Talon**”) has become prescribed in accordance with Condition 9; and
- (ii) the Note to which the relevant Talon pertains has not become void through prescription; and
- (iii) no Coupon sheet (or part thereof, being (a) Coupon(s) and/or a Talon, hereinafter called a “**part Coupon sheet**”), which Coupon sheet would have been exchangeable for the

relevant Talon or for any subsequent Talon bearing the same serial number pertaining to such Note, has been issued; and

- (iv) either no replacement Coupon sheet or part Coupon sheet has been issued in respect of any Coupon sheet or part Coupon sheet referred to in (iii) above or, in the reasonable opinion of the Company, there is no reasonable likelihood that any such replacement has been issued,

then upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity or security as the Company may reasonably require there may be obtained at the specified office of the Issuing and Paying Agent (or such other place of which notice shall be given in accordance with Condition 15) a Coupon sheet or Coupon sheets or part Coupon sheet(s), as the circumstances may require, issued:

- (A) in the case of a Note that has become due for redemption (x) without any Coupon itself prescribed in accordance with Condition 9 or the Relevant Date for payment of which would fall after the Relevant Date for the redemption of the relevant Note, and (y) without any Talon or Talons, as the case may be; or
- (B) in any other case, without any Coupon or Talon itself prescribed in accordance with Condition 9 and without any Talon pertaining to a Coupon sheet the Relevant Date of the final Coupon of which falls on or prior to the date when the Coupon sheet(s) or part Coupon sheet(s) is (are) delivered to or to the order of the claimant, but in no event shall any Coupon sheet be issued the original due date for exchange of which falls after the date of delivery of such Coupon sheet(s) as aforesaid.

For the avoidance of doubt, the provisions of this Condition 13(b) shall not give, or revive, any rights in respect of any Talon that has become prescribed in accordance with Condition 9.

14 Further Issues

The Company may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further notes shall be consolidated and form a single Series with the Notes. References in these Conditions to the Notes include (unless the context requires otherwise) any other notes issued pursuant to this Condition and forming a single Series with the Notes. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of notes of other Series in certain circumstances where the Trustee so decides.

15 Notices

Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in the United Kingdom (which is expected to be the Financial Times). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in the United Kingdom, approved by the Trustee. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which such publication is made.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and shall be deemed to have been given on the weekday (being a day other than a Saturday or a Sunday) after the date of mailing provided that, if at any time by reason of the suspension or curtailment (or expected

suspension or curtailment) of postal services within the United Kingdom or elsewhere the Company is unable effectively to give notice to holders of Registered Notes through the post, notices to holders of Registered Notes will be valid if given in the same manner as other notices as set out above.

16 Governing Law and Jurisdiction

(a) Governing Law

The Trust Deed, the Notes, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, the laws of England, save that the provisions of Condition 3 (and related provisions of the Trust Deed) relating to subordination and set-off are governed by, and shall be construed in accordance with, the laws of Scotland.

(b) Jurisdiction

The courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed or the Notes (other than Condition 3 (and related provisions of the Trust Deed) relating to the subordination and set-off of Notes (“**Excluded Matters**”), in respect of which the Court of Session in Scotland shall have jurisdiction) and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed or any Notes (“**Proceedings**”) may be brought in such courts.

The Company has in the Trust Deed irrevocably submitted to the jurisdiction of the courts of England in respect of any such Proceedings (other than in respect of Excluded Matters) and to the jurisdiction of the Court of Session in Scotland in respect of any Proceedings relating to Excluded Matters. Service of process in any Proceedings in England may be effected by delivery to the Company’s place of business in England at 6th Floor, 33 Old Broad Street, London EC2N 1HZ or such other address as may be notified to the Trustee.

(c) Third Party Rights

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person that exists or is available apart from that Act.

the quorum shall be one or more persons present holding voting certificates or being proxies or representatives or (in the case of a meeting of Noteholders) holding Notes and

representing or holding in the aggregate not less than two-thirds of the nominal amount of the Notes for the time being outstanding. In any other case it shall stand adjourned to the same day in the next week (or if such day is a public holiday at the place of the meeting the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period being not less than 14 days nor more than 24 days and to such place and time as may be appointed by the Chairman and approved by the Trustee or, failing agreement, as appointed by the Trustee) and at such adjourned meeting one or more persons present holding voting certificates or being proxies or representatives or (in the case only of a meeting of Noteholders) holding Notes (whatever the nominal amount of the Notes so represented or held by them) shall (subject as provided below) form a quorum and shall (subject as provided below) have power to pass any Extraordinary Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present.

Provided that at any adjourned meeting the business of which includes any of the matters specified in the proviso to paragraph 5, the quorum shall be one or more persons present holding voting certificates or being proxies or representatives or (in the case only of a meeting of Noteholders) holding Notes and representing or holding in the aggregate not less than one-third of the nominal amount of the Notes for the time being outstanding.

Provided further that at any adjourned meeting the business of which includes consideration of an Extraordinary Resolution as referred to in Condition 10 and/or paragraph 9 the quorum shall be one or more persons present holding voting certificates or being proxies or representatives or (in the case only of a meeting of Noteholders) holding Notes and representing or holding in the aggregate not less than 2/3 of the nominal amount of the Notes for the time being outstanding.

- 7** In the case of any adjourned meeting at which an Extraordinary Resolution is to be submitted notice thereof shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 and such notice shall (except in cases where either of the provisos to paragraph 6 shall apply when it shall state the relevant quorum) state that one or more persons present holding voting certificates or being proxies or representatives or (in the case only of a meeting of Noteholders) holding Notes at the adjourned meeting whatever the nominal amount of the Notes then outstanding so represented or held by them will form a quorum. Subject as aforesaid it shall not be necessary to give any notice of an adjourned meeting.
- 8** Every question submitted to a meeting shall be decided in the first instance by a show of hands and in the case of an equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a holder of a voting certificate or as a proxy or representative or (in the case only of a meeting of Noteholders) as a Noteholder.

- 9** At any meeting unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chairman or the Company or the Trustee or by one or more persons present holding voting certificates or being proxies or representatives or (in the case only of a meeting of Noteholders) holding Notes and representing or holding in the aggregate not less than one-fiftieth of the nominal amount of the Notes then outstanding a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 10** If at any such meeting a poll is so demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not (save as provided in paragraph 12) prevent the continuance of the meeting for the transaction of any business other than the resolution on which the poll has been demanded.
- 11** Without prejudice to the first sentence of, and the provisos to, paragraph 6 the Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
- 12** Any poll demanded at any such meeting on the election of a Chairman or on any question of adjournment shall be taken at the meeting without adjournment.
- 13** Without prejudice to paragraph (ii) of the second proviso to the definition of “outstanding” in these presents no person shall be entitled to attend and vote at any meeting of the Accountholders or, as the case may be, the Noteholders or join with others in requesting the convening of such a meeting or to exercise the rights conferred on the Accountholders or, as the case may be, the Noteholders by Condition 10 and/or paragraph 9 unless he either produces a voting certificate or he is a proxy or representative or (in the case only of a meeting of Noteholders) he produces the Note(s) of which he is the holder. Neither the Company nor any subsidiary of the Company nor any holding company of the Company nor any other subsidiary of any such holding company shall be entitled to vote in respect of Notes beneficially held by it or on its behalf but this shall not prevent any of the proxies named in any block voting instruction or form of proxy from being a director, officer or representative of or otherwise connected with any such company.
- 14** Subject as provided in paragraphs 8 and 13 at any meeting:
- 14.1** on a show of hands every person who is present in person and produces a voting certificate or who is a proxy or representative or (in the case only of a meeting of Noteholders) produces a Bearer Note or is the registered holder of a Registered Note shall have one vote; and
- 14.2** on a poll every person who is so present shall have one vote in respect of each integral currency unit of the Specified Currency (or such other amount as the Trustee may in its absolute discretion stipulate) of the Notes represented by the voting certificate so produced or in respect of which he is a proxy or representative or in respect of each integral currency

unit of the Specified Currency (or such other amount as aforesaid) of the Notes so produced or in respect of which he is the registered holder.

Subject to the obligations of the proxies named in any block voting instruction or form of proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

- 15** The proxies named in any block voting instruction or form of proxy need not be Accountholders or, as the case may be, Noteholders.
- 16** Each block voting instruction together (if so requested by the Trustee) with proof satisfactory to the Trustee of its due execution on behalf of the relevant Paying Agent and each form of proxy shall be deposited at the registered office of the Company (or at such other place as the Trustee shall approve) not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction or form of proxy propose to vote and in default the block voting instruction shall not be treated as valid unless the Chairman of the meeting decides otherwise before such meeting or adjourned meeting proceeds to business. A notarially certified copy of each block voting instruction shall be deposited with the Trustee before the commencement of the meeting or adjourned meeting but the Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the proxies named in any such block voting instruction.
- 17** Any vote given in accordance with the terms of a block voting instruction or form of proxy shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or form of proxy or of any of the Accountholders' or Noteholders' instructions pursuant to which it was executed provided that no intimation in writing of such revocation or amendment shall have been received from the relevant Paying Agent or, as the case may be, the relevant Transfer Agent or the Registrar by the Company at its registered office (or such other place as may have been approved by the Trustee for the purpose) by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.
- 18** Accountholders or the Noteholders shall in addition to the powers hereinbefore given have the following powers exercisable by Extraordinary Resolution, a Written Resolution or Electronic Consent (subject, in the case of a meeting, to the provisions relating to quorum contained in paragraphs 5 and 6) only namely:

 - 18.2** Power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Accountholders and/or, as the case may be, the Noteholders and the Couponholders against the Company or against its property or any part thereof whether such rights shall arise under these presents, the Notes or otherwise;
 - 18.3** Power to assent to any modification of the provisions contained in these presents or the Conditions which shall be proposed by the Company or the Trustee;
 - 18.4** Power to give any authority or sanction which under the provisions of these presents or the Notes is required to be given by Extraordinary Resolution, a Written Resolution or Electronic Consent;

- 18.5** Power to appoint two or more persons (whether Accountholders or Noteholders or not) to act as a committee or committees to represent the interests of the Accountholders or the Noteholders respectively and to confer upon such committee or committees any powers or discretions which the Accountholders or the Noteholders could themselves exercise by Extraordinary Resolution;
- 18.6** Power to approve a person to be appointed a trustee of these presents and power to remove any trustee or trustees for the time being of these presents;
- 18.7** Power to discharge or exonerate the Trustee from all liability in respect of any act or omission for which the Trustee may have become responsible under these presents or under the Notes;
- 18.8** Power to authorise the Trustee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution, a Written Resolution or Electronic Consent; and

- 19** Any resolution passed at a meeting of the Accountholders or, as the case may be, the Noteholders duly convened and held in accordance with these presents shall be binding upon all the Accountholders and/or, as the case may be, all the Noteholders whether present or not at such meeting and upon all Couponholders and each of them shall be bound to give effect thereto accordingly and the passing of any such resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any resolution considered by the Accountholders or, as the case may be, the Noteholders shall unless the Trustee shall otherwise agree be published in accordance with Condition 15 by the Company within 14 days of the voting on such resolution **provided that** the non-publication of such notice shall not of itself invalidate such resolution.
- 20** Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Company and any such minutes as aforesaid if purporting to be signed by the Chairman of the meeting at which such resolutions were passed or proceedings had or by the Chairman of the next succeeding meeting of the Accountholders or, as the case may be, the Noteholders shall be conclusive evidence of the matters therein contained and until the contrary is proved every such meeting in respect of the proceedings of which minutes have been made and signed shall be deemed to have been duly held and convened and all resolutions passed thereat or proceedings had to have been duly passed or had.
- 21** Subject to the following sentence, a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more such Noteholders.

For so long as the Notes are in the form of a Global Note held on behalf of, or a Global Certificate registered in the name of any nominee for, one or more of Euroclear,

Clearstream, Luxembourg or another clearing system, then, in respect of any resolution proposed by the Company or the Trustee:

- (i) where the terms of the proposed resolution have been notified to the Noteholders through the relevant clearing system(s), such resolution shall be validly passed by, and each of the Company and the Trustee shall be entitled to rely upon, approval of such resolution proposed by the Company, any Noteholder(s) or the Trustee (as the case may be) given by way of electronic consents communicated through the electronic communications systems of the relevant clearing system(s) in accordance with their operating rules and procedures by or on behalf of the holders of not less than 90 per cent. in nominal amount of the Notes outstanding (“**Electronic Consent**”). The Principal Paying Agent shall confirm the result of voting on any Electronic Consent in writing to the Company and the Trustee (in a form satisfactory to the Trustee) (which confirmation may be given by email), specifying (as of the deadline for the Electronic Consent): (i) the outstanding principal amount of the Notes and (ii) the outstanding principal amount of the Notes in respect of which consent to the resolution has been given in accordance with this provision. The Company and the Trustee may rely and act without further enquiry on any such confirmation from the Principal Paying Agent and shall have no liability or responsibility to anyone as a result of such reliance or action. The Trustee shall not be bound to act on any Electronic Consent in the absence of such a confirmation from the Principal Paying Agent in a form satisfactory to it; and
- (ii) where Electronic Consent is not being sought, for the purpose of determining whether a Written Resolution has been validly passed, the Company and the Trustee shall be entitled to rely on consent or instructions given in writing directly to the Company and/or the Trustee, as the case may be, by Accountholders with entitlements to such Global Note or Global Certificate or, where the Accountholders hold any such entitlement on behalf of another person, on written consent from or written instruction by the person for whom such entitlement is ultimately beneficially held, whether such beneficiary holds directly with the Accountholder or via one or more intermediaries and provided that, in each case, the Company and the Trustee have obtained commercially reasonable evidence to ascertain the validity of such holding and have taken reasonable steps to ensure that such holding does not alter following the giving of such consent or instruction and prior to giving effect to such consent or instruction. Any resolution passed in such manner shall be binding on all Noteholders and Couponholders, even if the relevant consent or instruction proves to be defective. As used in this paragraph, “**commercially reasonable evidence**” includes any certificate or other document issued by Euroclear, Clearstream, Luxembourg or any other relevant clearing system, or issued by an accountholder of them or an intermediary in a holding chain, in relation to the holding of interests in the Notes. Any such certificate or other document shall, in the absence of manifest error, be conclusive and binding for all purposes. Any such certificate or other document may comprise any form of statement or print out of electronic records provided by the relevant clearing system (including Euroclear’s EUCLID or Clearstream, Luxembourg’s CreationOnline system) in accordance with its usual procedures and in which the accountholder of a particular principal or nominal amount of the Notes is clearly identified together with the amount of such holding. Neither the Company nor the Trustee shall be liable to any person by reason of having accepted as valid or not having rejected any certificate or other

document to such effect purporting to be issued by any such person and subsequently found to be forged or not authentic.

Each Written Resolution and each Electronic Consent shall for all purposes be as valid and effectual as an Extraordinary Resolution passed at a meeting of such Noteholders duly convened and held in accordance with the provision contained herein. Each Written Resolution and each Electronic Consent will be binding on all Noteholders and holders of Coupons and Talons, whether or not they participated in such Written Resolution or Electronic Consent.

21.1 If and whenever the Company shall have issued and have outstanding Notes of more than one Series the foregoing provisions of this Schedule shall have effect subject to the following modifications:

21.1.1 a resolution which in the opinion of the Trustee affects the Notes of only one Series shall be deemed to have been duly passed at a separate meeting of the holders of the Notes of that Series;

21.1.2 a resolution which in the opinion of the Trustee affects the Notes of more than one Series but does not give rise to a conflict of interest between the holders of Notes of any of the Series so affected shall be deemed to have been duly passed if passed at a single meeting of the holders of the Notes of all the Series so affected;

21.1.3 a resolution which in the opinion of the Trustee affects the Notes of more than one Series and gives or may give rise to a conflict of interest between the holders of the Notes of one Series or group of Series so affected and the holders of the Notes of another Series or group of Series so affected shall be deemed to have been duly passed only if passed at separate meetings of the holders of the Notes of each Series or group of Series so affected; and
