LLOYDS BANKING GROUP ANNOUNCES STRONG SUPPORT FOR THE COMPENSATORY OPEN OFFER AND COMMENCEMENT OF THE HMT PREFERENCE SHARE REDEMPTION

Compensatory Open Offer

Lloyds Banking Group plc (the "Company") announces that valid acceptances have been received in respect of 9,043,154,385 Open Offer Shares representing approximately 87 per cent of the total number of Open Offer Shares to be issued pursuant to the Placing and Compensatory Open Offer announced by the Company on 20 May 2009.

Admission of the ordinary shares to be allotted pursuant to the Compensatory Open Offer to the Official List of the UK Listing Authority and to trading on the London Stock Exchange is expected to take place at 8:00 am today.

As previously disclosed, the joint bookrunners will use reasonable endeavours to procure places for the balance of Open Offer Shares (representing approximately 13 per cent of the total number of open offer shares) not validly taken up in the Compensatory Open Offer (the "Rump") at an aggregate price at least equal to the Issue Price of 38.43 pence multiplied by the number of open offer shares not validly taken up which are placed by the joint bookrunners (plus associated expenses) (the "Minimum Rump Placing Amount").

As previously communicated, any premium to the Minimum Rump Placing Amount will be remitted on a pro rata basis to those registered shareholders who did not (or were deemed not to) take up, or were otherwise treated as not having taken up, their open offer entitlements, save that amounts of less than £3.00 per holding will not be so paid but will be aggregated and donated to charity (the British Heart Foundation). The fractional open offer entitlements were aggregated and placed for the benefit of the Company.

A further announcement as to the number of open offer shares for which acquirers have been procured and those (if any) which are to be acquired by HM Treasury will be made in due course. A further announcement as to the number of ordinary shares in issue and HM Treasury's holding in the Company following the closing of the Placing and Compensatory Open Offer will also be made in due course.

HMT Preference Share Redemption

As announced on 7 March 2009, Lloyds Banking Group will use the proceeds of the Placing and Compensatory Open Offer (being not less than £3,940 million net of commissions of up to £60 million payable to HM Treasury under the open offer agreement), together with up to £300 million of the Group's existing cash resources, to redeem all outstanding HMT Preference Shares issued to HM Treasury in January 2009 at 101 per cent of their issue price (in accordance with the terms agreed with HM Treasury) together with accrued dividends thereon.

Today Lloyds Banking Group will use proceeds of the Compensatory Open Offer together with existing cash resources to redeem 3,475,284 outstanding HMT Preference Shares. Following this first redemption, the remaining 524,716 outstanding HMT Preference Shares are expected to be redeemed shortly after the completion of the placing of the Rump. A further announcement will be made in due course.
