

Lloyds Banking Group named the best bank to work for in the UK by LinkedIn

- Lloyds Banking Group ranked number one best bank to work for in the UK
- Lloyds Banking Group placed eighth overall in the LinkedIn's Top Companies list for 2026

Lloyds Banking Group has been ranked the number one bank to work for in the UK, in LinkedIn's Top Companies 2026 list of the best large employers for career growth.

The annual ranking recognises organisations that offer strong long-term career prospects, based on independent analysis of factors including skills development, internal progression, company stability and employee engagement.

Placing eight overall, the result reflects Lloyds Banking Group's continued focus on investing in colleagues, supporting career development and creating an inclusive place to build a career.

Sharon Doherty, Chief People and Places Officer at Lloyds Banking Group, said:

“Being recognised again in LinkedIn's Top Companies list is a proud moment because it reflects the day-to-day experience of our colleagues at Lloyds Banking Group. Our commitment is to build a place where people can develop and progress, and where the skills and technology we invest in help teams deliver better outcomes for customers and communities.”

Supporting long-term career growth

Lloyds Banking Group employs more than 65,000 colleagues working in roles spanning financial services, technology, data, sustainability and customer service. The Group continues to invest in learning and development, with a focus on digital, data and AI skills, providing colleagues with the tools and resources to continue to develop their careers as the world of work evolves.

The Group has a strong framework to support colleagues, including:

- Ongoing investment in learning, skills and reskilling
- Clear pathways for progression and internal mobility
- Flexible and inclusive ways of working
- A strong focus on colleague wellbeing
- Fostering next gen talent through dedicated networks

Independent recognition

Top Companies list is based on anonymised data analysing real career outcomes across millions of professionals, rather than survey responses alone. Being ranked the best bank to work for in the UK provides independent recognition of Lloyds Banking Group's approach to colleague development and inclusion.

The Group continues to place people at the centre of its strategy, recognising that long-term success depends on engaged colleagues with the skills and support to do their best work.

Notes to Editors

About Lloyds Banking Group

With 28 million customers, we're proud to be the UK's biggest digital bank. Our services span retail and commercial banking, insurance and long-term savings, delivered through trusted brands including Lloyds, Halifax, Bank of Scotland and Scottish Widows.

Our purpose is Helping Britain Prosper. For more than 320 years, we've served households and businesses across the UK. Today, we're transforming how we do that. We've invested more than £4bn in our digital transformation, and we're just getting started. That means building smarter, more resilient tech, expanding our use of AI, and creating seamless experiences for a digital-first Britain.
