LLOYDS BANKING GROUP RECOGNISED AS EUROMONEY'S UK BEST BANK FOR 2026

- The Group has been recognised by Euromoney as the United Kingdom's Best Bank in its Awards for Excellence 2026
- Recognition reflects the support provided to 28 million people and businesses across the UK
- Highlights the Group's progress in financial empowerment, digital innovation and customer experience

Lloyds Banking Group has been recognised as the United Kingdom's Best Bank in the Euromoney Awards for Excellence 2026.

The award recognises the progress being made to support 28 million customers across the UK through a combination of strong customer propositions, digital innovation and a focus on helping people and businesses achieve better financial outcomes.

As the UK's largest digital bank, Lloyds Banking Group is investing in the technology, products and services that help customers manage their money with confidence. This includes tools such as Your Credit Score and Benefits Calculator, alongside expanded access to savings, investments and pensions, helping customers navigate key life moments from buying a first home to planning for retirement.

The recognition also reflects the Group's ambition to embed financial empowerment across every stage of the customer journey. By combining data, digital capabilities and AI with the expertise of colleagues, the Group continues to make everyday banking simpler, more personalised and more accessible, supporting households, businesses and communities across the UK.

Jasjyot Singh OBE, CEO, Consumer Relationships: "This is a brilliant moment for everyone across the Group. Being named the UK's Best Bank recognises the huge progress our teams are making together.

It reflects what our colleagues do best: making banking simpler, faster, and more personal for the customers, businesses, and communities we serve, and helping millions of people feel more in control of their finances."
