Each Committee shall work and liaise as necessary with all other Committees of its Board, and periodically review interactions between its Board and the other Committees.

6. Responsibilities

The responsibilities of each Committee are to:

A. Board Appointments

- 1 Lead the formal, rigorous and transparent appointment process for new Board directors (which, in the case of the **Banks' Committees only**, will involve public advertising of any vacancy for an independent Non-Executive Director, unless otherwise agreed with the PRA), establishing appropriate selection criteria and recommending suitable candidates to the Board. In doing so, the Committee should consider a broad set of qualities and competences when recruiting members to the Board and for that purpose put in place a policy, based on merit and objective criteria, promoting diversity of gender, social and ethnic backgrounds, cognitive and personal strengths on the Board. Where appropriate, the Committee may delegate the selection/nomination process to a sub-committee established specifically for that purpose.
- 2 Before beginning a search for candidates for a particular appointment, prepare a written description of the role and capabilities required, and the time commitment expected, for that appointment.
- 3 Review the processes in place to achieve optimal Board composition, including appointment criteria, succession planning and as necessary propose changes to the processes.
- 4 Seek advice from external search consultants or use open advertising (or both), if appropriate, in relation to seeking and selecting candidates for any appointments and, where an external search consultancy is engaged, identify this in the annual report alongside a statement about any other connection it has with the Company or individual directors.
- 5 Review a candidate's other commitments and ensure that, on appointment, a candidate has sufficient time to undertake the role.
- 6 Ensure that, on appointment to the Board, Non-Executive Directors of the Company (including the Chair of the Board) receive a letter of appointment setting out clearly what is expected of them in terms of time commitment, Board Committee service and involvement outside Board meetings. For the avoidance of doubt, this does not extend to the fees payable to Non-Executive Directors.

B. Other Appointments

- 1 **Group Committee only:** Consider once in each financial year (if possible, around the time of the consideration of any amendments to, and before the Board's approval of any update to the Board Authorities impacting, these terms of reference) and, if appropriate, identify those subsidiaries of the Group which the Committee deems to be material subsidiaries in the context of appointments of directors to such subsidiaries.
- 2 **Group Committee only:** Approve the appointments of any individuals as directors, whether as Executive Directors or Non-Executives, to those subsidiaries identified by the Committee from time to time as material (pursuant to B1 above)¹ (in which case, any recommendation to the Committee in relation to the nomination of Executive Directors shall be provided by the Group Chief Executive; and any recommendation to the Committee in relation to the nomination of Non-Executive Directors shall be provided by the Group Executive Committee member responsible for such subsidiary).

¹ As at the date of approval of these terms of reference, subsidiaries identified by the Committee as material are: the Insurance Board companies: Scottish Widows Group Limited, Scottish Widows Limited, Lloyds Bank General Insurance Limited, St Andrew's Insurance plc, Scottish Widows Financial Services Holdings, Lloyds Bank General Insurance Holdings Limited, Scottish Widows Administration Services Limited and Scottish Widows Administration Services (Nominees) Limited together with Lloyds Bank plc; Bank of Scotland plc; HBOS plc; Lloyds Bank Corporate Markets plc; LBG Equity Investments Limited; and Lloyds Offshore Global Services Private Limited.

C. Succession planning

- 1 Oversee the development of a diverse pipeline for succession to both Board and senior executive positions. In relation to Board succession, the Committee shall seek to ensure that there will be sufficient current and relevant sector knowledge and experience on the Board so it continues to be able to understand the key activities and risks involved in the business model and provide effective challenge across all major business lines. In relation to senior executive succession, the Committee shall seek to ensure that the policy for selection and appointment of senior executives is appropriate, based on merit, objective criteria, promotes diversity of gender, social and ethnic backgrounds, cognitive and personal strengths, and that senior executives have the right skills, values, attitude and energy essential to success.
- 2 Conduct an annual review of the adequacy and effectiveness of succession arrangements for Executive Directors, other members and attendees of the Group Executive Committee and their respective direct reports, and the Company Secretary.

D. Board Diversity

- 1 Recommend to the Board a Board Diversity Policy and Board Diversity Objectives (covering all aspects of diversity, including but not limited to gender, ethnicity, social background, cognitive and personal strengths) and undertake an annual review of the Board Diversity Policy and Board Diversity Objectives incorporating a target for the representation of the underrepresented gender in the management body and the policy on how to increase the number of the underrepresented gender in the management body in order to meet that target.

E. Board & Committee composition

- 1 At least annually evaluate the structure, size and composition (including the balance of skills, experience and knowledge) of the Board and the future challenges affecting the business, taking into account the Company's current requirements, the results of the Board performance evaluation process that relate to the composition of the Board, the length of service of the Board as a whole, and make recommendations to the Board with regard to any adjustments that may be needed.
- 2 **Group Committee only:** At least annually evaluate the independence of the Board.
- 3 Make recommendations to the Board regarding the role, including capabilities and time commitment, of the Chair, Deputy Chair (if any), Senior Independent Director, Non-Executive Directors, the Group Chief Executive and Executive Directors.

- 2 Ensure an externally facilitated evaluation of the Board is regularly considered and conducted as appropriate, the expectation being that this will be at least every three years.
- 3 In performing its duties, and to the extent possible, take account of the need to ensure that the Board's decision making is not dominated by any one individual or small group of individuals.
- 4 **Group Committee only:** Having evaluated the independence of the Board (as referred to at 6.E.2 above), make recommendations to the Board regarding the independence of Non-Executive Directors, the reappointment or re-election of directors and the suitability of any director to continue in office, having regard to their individual performance and the balance of skills needed on the Board.
- 5 Hold a meeting (excluding the Chair of the Board) to agree the Chair of the Board's objectives and performance.

Performance evaluation is expected to be externally facilitated every three years.

- 2 Give due consideration to all relevant laws and regulations, including the provisions of the UK Corporate Governance Code and associated guidance and best practice, the FCA and PRA rules and guidance and monitor developing trends, initiatives or proposals in relation to board governance issues in the UK and, to the extent relevant, elsewhere in order to determine the extent to which such initiatives impact the Company and make recommendations to the Board on any changes to be implemented including the establishment of appropriate policies and practices to enable the Board to operate effectively and efficiently.

- 5 **Group Committee only:** Ensure that the Company maintains a dialogue with shareholders about succession planning, the appointment of directors and the work of the Committee.

H. Conflicts of interest

- 1 Ensure that prospective Non-Executive Directors disclose any business interests that may result in any actual or potential conflict of interests with those of the Group before any offer of appointment is made.
- 2 Ensure that each Director, once appointed, notifies to the Committee, any situation or matter in which such Director may have a direct or indirect interest that conflicts, or possibly may conflict with, the interests of the Company. Consider whether to recommend to the Board the authorisation of any such situation or matter, having regard to the possible time required for it, and all other outside commitments notified by the Director, and whether it could impede the Director from spending sufficient time to fulfil their obligations to the Company³. If a situation or matter involves an imminent appointment or extension of commitments, any recommendation to the Board for authorisation may take the form of a notification to all Board members that they have an opportunity to respond by way of objection within a set period of time, failing which any subsequent authorisation by the Board may be given by way of ratification of a deemed (through lack of objection) earlier authorisation.
- 3 Conduct an annual review of the Conflicts Register and review any disclosure relating to conflicts of interest to be made public.
- 4 Review the Company's approach to the management of conflicts of interest to ensure that it is in line with the Group's conflicts management protocols and, for the **Banks' Committees only**, in particular any actual or potential conflict between the Company and its shareholder is appropriately managed.
