Distribution of EPC ratings of our mortgage customers' homes in your constituency:

EPC – Energy Performance Certificate
EPC data is sourced from gov.uk and the Scottish government databases

We've joined Crisis to call for 1m homes for social rent

Lloyds Banking Group is the leading financier of the social housing sector, but we want to do more. That is why **we have joined forces with the national homelessness charity Crisis.**

Together we are calling for **one million additional homes for social rent** to be built over the next decade to help tackle the shortage of good quality homes in the UK.

Five ways the Government can make our homes greener

1

Provide certainty on green home improvements with a package of incentives and regulations

2

Use Stamp Duty to reward green home improvements

3

Improve EPCs so they provide accurate and up to date information

4

Use employer tax incentives to encourage employees to make green improvements

5

Support new, green jobs across the whole country with the Apprenticeship Levy
