Dear Shareholder

Annual general meeting

I am pleased to invite you to the annual general meeting (the **"AGM"**) of Lloyds Banking Group plc (the **"Company"**) which will be held at the Edinburgh International Conference Centre, The Exchange, Edinburgh EH3 8EE on Thursday 16 May 2013 at 11.00 am.

The notice of AGM is set out on pages 3 to 12 of this document.

A copy of our annual report and accounts (or the annual review) for the year ended 31 December 2012 is enclosed together with a proxy or voting form to enable you to exercise your voting rights.

The AGM is an opportunity for shareholders to express their views directly with the Board and I hope you will take this opportunity to do so.

If you cannot attend, I strongly encourage you to exercise your right to vote by appointing a proxy to vote at the AGM on your behalf. To appoint a proxy, please complete the enclosed form and send it to our registrar, Equiniti Limited (**"Equiniti"**), in the envelope provided. Alternatively, you can appoint a proxy online at www.sharevote.co.uk. Instructions are provided on the reverse of the enclosed form.

Proxy appointments must be received by our registrar no later than 11.00 am on Tuesday 14 May 2013.

Members of the Lloyds Banking Group Shareholder Account (**"LBGSA"**) will also find an annual statement of their shareholding enclosed.

Shareholder communications

I would like to thank our shareholders for the huge support you have shown for paperless communications, allowing us significantly to reduce the amount of paper used in producing our end of year and AGM communications.

In conjunction with Equiniti, you can manage your shareholding securely online, including how to receive Company communications. Further information is set out on the front of the enclosed form.

Directors

Biographical details of each director seeking election or re-election are included in the notice of AGM.

Further information, including remuneration, is set out in the annual report and accounts and annual review for the year ended 31 December 2012.

Recommendation

Your directors consider that all of the resolutions in the notice of AGM are in the best interests of the Company and its shareholders as a whole and we recommend that you vote in favour of them.

Yours faithfully

EXPLANATORY NOTES ON RESOLUTIONS

Resolution 1. Report and accounts

The directors are required to present the Company's accounts and the reports of the directors and of the auditors for the year ended 31 December 2012 at the annual general meeting.

Resolution 2. Directors' remuneration report

The Company is required to ask shareholders to approve the directors' remuneration report for the year ended 31 December 2012. This is contained on pages 98 to 114 of the annual report and accounts.

Resolutions 3 to 12. Election and re-election of directors

Lord Blackwell, Ms Fairbairn and Mr Luff have been appointed to the Board since the annual general meeting held in 2012 and stand for election in accordance with the Company's articles of association (Resolutions 3 to 5).

The Board considers that these directors should be elected to maintain the appropriate balance of skills, knowledge and experience on the Board.

In accordance with the provisions of the UK Corporate Governance Code, all the other directors will retire and those willing to serve again will submit themselves for re-election at the annual general meeting (Resolutions 6 to 12).

Mr Scicluna previously announced his intention to retire from the Board in March 2013 and Mr Ryan has announced his intention to retire from the Board on 18 April 2013. As such, neither will be submitting themselves for re-election.

The Nomination and Governance Committee recommended to the Board that the 2012 evaluation of the Board, its committees and the performance of its directors should be facilitated externally.

Following the evaluation, the Chairman considers that the performance of each of the directors continues to be effective, and that they have each demonstrated commitment to their roles.

The performance of the Chairman was reviewed by the non-executive directors, led by the Senior Independent Director, who consider that the performance of the Chairman continues to be effective.

A summary of the skills and experience of each director proposed for election or re-election can be found on pages 11 and 12 of this document.

Resolutions 13 and 14. Auditors

Resolution 13 is necessary as the appointment of PricewaterhouseCoopers LLP as auditors of the Company terminates at the conclusion of the annual general meeting. The Company's Audit Committee recommends their re-appointment.

Resolution 14 follows best corporate governance practice in authorising the Audit Committee to set the auditors' remuneration.

Resolution 15. Authority for the Company and its subsidiaries to make political donations or incur political expenditure

This resolution will renew the authority to incur expenditure which would otherwise be prohibited under Part 14 of the Companies Act 2006.

The Company does not give any money for political purposes in the UK nor does it make any donations to EU political organisations or incur EU political expenditure.

However, the definitions of political donations, political organisations and political expenditure used in the Companies Act 2006 are very wide. As a result, they may cover activities that form part of relationships that are an accepted part of engaging with our stakeholders to ensure that issues and concerns affecting our operations are considered and addressed.

The activities referred to above are not designed to support any political party nor to influence public support for any political party. The authority we are requesting is a precautionary measure to ensure that the Company can continue to support the community and put forward its views without inadvertently breaching the Companies Act 2006.

This shareholder authority will be sought each year in accordance with best practice.

Resolution 16. Directors' authority to allot shares

This resolution (as in previous years) renews the directors' authority to allot shares.

It gives directors the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

The directors consider it desirable to have this flexibility.

Paragraph (i) gives the directors the authority to issue new shares equal to approximately one-third of the whole of the issued ordinary share capital of the Company (including the limited voting shares).

Paragraph (ii) authorises the directors to allot up to a further one-third for use only in connection with a fully pre-emptive rights issue.

The aggregate of the amounts in Resolution 16 represents approximately two-thirds of the whole of the issued ordinary share capital of the Company (including the limited voting shares).

This authority will expire at the conclusion of the next annual general meeting or on 30 June 2014, whichever is the earlier.

There are no present plans to undertake a rights issue or to allot new shares other than in connection with employees' share plans save that the directors may, as part of our capital management planning, authorise new issuances of ordinary shares, in an amount that is not material in relation to the Company's capital nor in relation to the Pre-Emption Group as described in the notes to Resolution 17.

For the purposes of this resolution **"rights issue"** means an offer to:

- (a) ordinary shareholders in proportion (or as near as may be practicable) to their existing holdings; and
- (b) people who are holders of other equity securities if this is required by the rights of those securities or, if the directors consider it necessary, as permitted by the rights of those securities,

to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, but subject in both cases to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or jurisdiction.

Resolution 17. Limited disapplication of pre-emption rights

The Companies Act 2006 requires that if the directors wish to allot new shares or other equity securities these are first offered to shareholders in proportion to their existing holdings.

The passing of this resolution would (as in previous years) allow directors in limited circumstances the flexibility to finance business opportunities by allotting shares or other securities without first offering them to existing holders in proportion to their existing holdings.

Any issue of ordinary shares under these provisions would represent no more than 5 per cent. of the issued ordinary share capital of the Company (including the limited voting shares).

If the Company were to purchase its own shares and hold them in treasury, this resolution would give the directors power to sell these shares for cash to persons other than existing shareholders, subject to the same limit that would apply to issues of shares for cash to these persons.

In addition, the resolution authorises the directors to issue shares for cash in connection with a rights issue on a non pre-emptive basis.

In applying the powers to be granted by virtue of this resolution, the Company intends to adhere to the Pre-Emption Group's Statement of Principles which provides that no more than 7.5 per cent. of the issued share capital should be issued on a non pre-emptive basis over a rolling three-year period without prior consultation with shareholders.

For the purposes of this resolution:

- (a) **“rights issue”** has the same meaning as in Resolution 16;
- (b) **“pre-emptive offer”** means an offer of equity securities open for acceptance for a period fixed by the directors to (a) holders of ordinary shares (other than the Company) on the register on a record date fixed by the directors in proportion to their respective holdings and (b) other persons so entitled by virtue of the rights attaching to any other equity securities held by them, but subject in both cases to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or jurisdiction;
- (c) references to an allotment of equity securities shall include a sale of treasury shares; and
- (d) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

Resolutions 18 and 19. Authority to purchase ordinary shares and preference shares

These resolutions renew the authority of the Company to purchase its own ordinary shares and certain of its preference shares (as listed in the resolution wording) in the market.

The authority for the Company to purchase its ordinary shares in the market is limited to 7,048,571,486 ordinary shares, equivalent to 10 per cent. of the issued ordinary share capital of the Company (including the limited voting shares).

Any shares purchased in this way may be cancelled or held in treasury for eventual sale for cash, transfer in connection with an employees' share plan or cancellation. The resolution explicitly authorises the Company to use any shares purchased and held in treasury for the purposes of its employees' share plans.

If any shares were used in this way, the Company would take them into account when calculating the share issuing limits in the share plans, to the extent required under the Association of British Insurers' guidelines. There is no limit on the number or value of preference shares that can be purchased.

824,129,375 ordinary shares, equivalent to 1.169 per cent. of the issued ordinary share capital, may be issued on the exercise of outstanding awards and options. If the Company were to purchase and cancel shares up to the maximum permitted by this resolution that percentage would increase to 1.299 per cent.

The directors would exercise the authority only if they felt that to do so would be in the best interests of the Company and would result in an increase in earnings per share.

To the extent that any such shares were held in treasury, earnings per share would only be increased on a temporary basis, until the shares were sold or transferred out of treasury. Also, if the directors were to decide to use the authority, they would, at that time, determine whether it would be in the best interests of shareholders as a whole for the shares purchased to be cancelled or held in treasury.

Resolution 20. Notice period

Under the Companies Act 2006, the notice period required for all general meetings of the Company is 21 days. Annual general meetings will continue to be held on at least 21 clear days' notice.

However, shareholders can approve a shorter notice period of not less than 14 clear days for other general meetings. It is our intention only to use this authority in circumstances when it would disadvantage the Company to delay shareholder approval for an urgent matter concerning, for instance, the issue or alteration of share capital. It is not intended to use this authority for routine Company business.

The resolution shall be valid until the conclusion of the next annual general meeting (unless the authority granted by the resolution is renewed at a general meeting of the Company before then) and it is our intention to renew the authority at each annual general meeting.

NOTES

1. In accordance with the Company's articles of association, the annual general meeting must be held in Scotland.
2. Only shareholders, their appointed proxies and authorised representatives of corporations which are shareholders of the Company are entitled to attend, speak and vote at the meeting. Shareholders' names must be entered in the register of members at 6.00 pm on Tuesday 14 May 2013 in order for such shareholders, proxies and authorised representatives of corporations to have the right to vote at the meeting. Should the meeting be adjourned, shareholders who wish to attend and vote must have their names entered in the Company's register of members by 6.00 pm on the day falling two days prior to the date fixed for the adjourned meeting.
3. Shareholders are invited to complete and return the enclosed form of proxy to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or register their proxy appointment electronically at www.sharevote.co.uk. A proxy need not be a shareholder of the Company but must attend the meeting to represent a shareholder. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. The appointment of a proxy will not prevent shareholders from subsequently attending and voting at the meeting. The form of proxy and, if relevant, the power of attorney or other authority under which it is signed, or a certified copy of that power or authority, must be received by Equiniti Limited no later than 11.00 am on Tuesday 14 May 2013.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146(2) of the Companies Act 2006 ("**Nominated Persons**"). Nominated Persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

4. CREST participants who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so through Equiniti Limited ID RA19, by following the procedures described in the CREST manual available at www.euroclear.com/CREST. Instructions must be received by Equiniti Limited no later than 11.00 am on Tuesday 14 May 2013. The time of receipt by Equiniti Limited will be deemed to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which Equiniti Limited is able to retrieve the message by enquiry of Euroclear in the manner

prescribed by Euroclear. Equiniti Limited may treat as invalid a CREST instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. Proxy appointments may be revoked or amended by written notice to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, if received by 10.30 am on Thursday 16 May 2013. CREST participants may also give instructions to revoke or amend by CREST message but only if the message is received by Equiniti Limited no later than 10.30 am on Thursday 16 May 2013.
6. It would be helpful if any shareholder coming to the meeting would remove the attendance card from the form of proxy or voting form of direction and bring it to the meeting. The shareholder will be asked to produce the attendance card to show that he or she has the right to attend, speak and vote. The attendance card is not transferable and may only be used by the shareholder attending in person.
7. Any shareholder, their appointed proxies and authorised representatives of corporations attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or good order of the meeting that the question be answered.

If any shareholder intending to come to the meeting would like to ask a question, which should relate to the business of the meeting, they may, if they wish, register this in advance by sending it by email to agmquestions@lloydsbanking.com

8. You may not use any electronic address provided either in this notice of annual general meeting or any related documents to communicate with the Company for any purpose other than those expressly stated. Any electronic communication sent by a shareholder to the Company or Equiniti Limited that is found to contain a computer virus will not be accepted.
9. Electronic communication facilities are available to all shareholders and those who use them will not be disadvantaged. Shareholders who decide to use them will receive an electronic mail message sent to the electronic address registered. This will give details of the location on our website www.lloydsbankinggroup.com where this notice, together with other relevant documents and information may be viewed. The Company will not regard itself as responsible for any failure in transmission beyond its control. There is no particular software needed, other than that which is described and is available on our website.

10. A summary of the skills and experience of each director proposed for election or re-election can be found on pages 11 and 12 of this document.

11. As at 11 March 2013 (the last practicable date prior to the publication of this document) the total number of shares issued by Lloyds Banking Group plc with rights to vote which are exercisable in all circumstances at general meetings was 70,404,793,826 ordinary shares of 10p each, which includes shares represented by American Depositary Receipts. At this date, no shares were held in treasury.

The holders of ordinary shares are entitled to attend and vote at general meetings of the Company. On a vote by show of hands, every ordinary shareholder who is present has one vote and every proxy present who has been duly appointed by a shareholder entitled to vote has one vote. The Board considers it more democratic that each of the resolutions put to the meeting be voted on by poll. On a vote by poll, every ordinary shareholder who is present in person or by proxy has one vote for every ordinary share held.

80,921,051 limited voting ordinary shares are in issue and held by the Lloyds TSB Foundations. These shares do not entitle the holders to vote at general meetings except in certain limited circumstances.

12.
