**£35,000,000,000**

**Euro Medium Term Note Programme**

This Supplement (the “**Supplement**”) to the prospectus dated 17 April 2018, as supplemented by the supplementary prospectus dated 26 April 2018 (together, the “**Prospectus**”), which comprises a base prospectus for the purposes of Article 5.4 of Directive 2003/71/EC, constitutes a supplementary prospectus for the purposes of Section 87G of the Financial Services and Markets Act 2000 (the “**FSMA**”) and is prepared in connection with the £35,000,000,000 Euro Medium Term Note Programme (the “**Programme**”) established by Lloyds Bank plc (the “**Bank**”).

This Supplement is supplemental to, and should be read in conjunction with, the Prospectus and the documents incorporated by reference therein. Capitalised terms used in this Supplement but not defined herein shall have the meanings ascribed to them in the Prospectus.

The Bank accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Bank (having taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

**Purpose of this Supplement**

The purpose of this Supplement is to:

- (a) update the ratings assigned by Standard & Poor’s to the long-term senior obligations of the Bank;
- (b) incorporate by reference into the Prospectus the 2018 Half-Year Results (as defined in this Supplement), which were published via the RNS on 1 August 2018;
- (c) amend the Overview of the Programme;
- (d) insert a new risk factor;
- (e) amend Condition 4 (*Interest and other Calculations*);
- (f) amend the Form of Final Terms;
- (g) amend the Form of Pricing Supplement;
- (h) update the no significant change statement of the Bank and its subsidiary and associated undertakings (the “**Lloyds Bank Group**”); and
- (i) update the no governmental, legal or arbitration proceedings statement of the Lloyds Bank Group and the Bank.

**(a) Ratings of the Bank**

On 8 May 2018, Standard & Poor’s Credit Market Services Europe Limited (“**S&P**”) upgraded its rating of the long-term senior obligations of the Bank. The S&P rating relating to long-term senior obligations of the Bank, as appearing on the cover page and page 122 of the Prospectus shall each be replaced with the rating “A+”. The S&P expected rating relating to Senior Notes issued by the Bank under the Programme with a maturity of one year or more, as appearing on page 21 and page 122 of the Prospectus shall each be replaced with the rating “A+”.

**(b) Documents Incorporated by Reference**

By virtue of this Supplement, the Bank’s 2018 Half-Year Results for the half-year to 30 June 2018, including the unaudited condensed consolidated financial statements prepared on a statutory basis for the half-year to 30 June 2018, together with the independent review report thereon, as set out on pages 6 to 54 and 56 to 57 thereof, respectively (the “**2018 Half-Year Results**”), which have previously been filed with the Financial Conduct Authority, shall be deemed to be incorporated in, and form part of, the Prospectus and supplement the section entitled “*Documents Incorporated by Reference*” on page 11 of the Prospectus.

Any documents themselves incorporated by reference in the 2018 Half-Year Results shall not form part of the Prospectus. Only certain sections of the Bank’s 2018 Half-Year Results are incorporated by reference in the Prospectus, the parts of the document which are not incorporated by reference are either not relevant to prospective investors in the Notes or are covered elsewhere in the Prospectus.

**(c) Overview of the Programme**

*Part (ii) of the section entitled Floating Rate Notes on page 19 of the Prospectus shall be deleted and replaced with the following:*

“(ii) by reference to LIBOR, EURIBOR or SONIA, as adjusted for any applicable margin.”

**(d) Risk Factors**

*The Risk Factors section commencing on page 23 of the Prospectus is supplemented by inserting a new risk factor at the end of 8.1 (Risks related to the structure of a particular issue of Notes) as set out below:*

*“The market continues to develop in relation to SONIA as a reference rate for Floating Rate Notes*

Investors should be aware that the market continues to develop in relation to the Sterling Overnight Index Average (“**SONIA**”) as a reference rate in the capital markets and its adoption as an alternative to Sterling LIBOR. In particular, market participants and relevant working groups are exploring alternative reference rates based on SONIA, including term SONIA reference rates (which seek to measure the market’s forward expectation of an average SONIA rate over a designated term). The market or a significant part thereof may adopt an application of SONIA that differs significantly from that set out in the Conditions and used in relation to Floating Rate Notes that reference a SONIA rate issued under this Prospectus. Interest on Notes which reference a SONIA rate is only capable of being determined at the end of the relevant Observation Period and immediately prior to the relevant Interest Payment Date. It may be difficult for investors in Notes which reference a SONIA rate to reliably estimate the amount of interest which will be payable on such Notes. Further, if the Notes become due and payable under Condition 10, the Rate of Interest payable shall be determined on the date the Notes became due and payable and shall not be reset thereafter. Investors should consider these matters when making their investment decision with respect to any such Floating Rate Notes.”

**(e) Amendments to Condition 4 (Interest and other Calculations)**

(i) *The following subsection shall be inserted at the end of Condition 4(c)(ii)(B) (Screen Rate Determination for Floating Rate Notes):*

“(aa) SONIA

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the relevant Series of Floating Rate Notes is specified in the applicable Final Terms as being SONIA, the Rate of Interest for each Interest Period will, subject to Condition 4(j) and as provided below, be Compounded Daily SONIA plus or minus (as indicated in the applicable Final Terms) the Margin.

“**Compounded Daily SONIA**” means the rate of return of a daily compound interest investment (with the daily Sterling overnight reference rate as reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified in the applicable Final Terms) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[ \prod_{i=1}^{d_o} \left( 1 + \frac{\text{SONIA}_{i-5\text{LBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

“**d**” is the number of calendar days in the relevant Interest Period;

“**d<sub>o</sub>**” is the number of London Banking Days in the relevant Interest Period;

“**i**” is a series of whole numbers from one to **d<sub>o</sub>**, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Period;

“**London Banking Day**” or “**LBD**” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“**n<sub>i</sub>**”, for any day “**i**”, means the number of calendar days from and including such day “**i**” up to but excluding the following London Banking Day;

“**Observation Period**” means the period from and including the date falling five London Banking Days prior to the first day of the relevant Interest Period (and the first Interest Period shall begin on and include the Interest Commencement Date) and ending on, but excluding, the date falling five London Banking Days prior to the Interest Payment Date for such Interest Period (or the date falling five London Banking Days prior to such earlier date, if any, on which the Notes become due and payable);

the “**SONIA reference rate**”, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average (“**SONIA**”) rate for such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Relevant Screen Page or, if the Relevant Screen Page is unavailable, as otherwise published by such authorised distributors, in each case on the London Banking Day immediately following such London Banking Day; and

“**SONIA<sub>i-5LBD</sub>**” means, in respect of any London Banking Day falling in the relevant Observation Period, the SONIA reference rate for the London Banking

Day falling five London Banking Days prior to the relevant London Banking Day “I”.

If, subject to Condition 4(j), in respect of any London Banking Day in the relevant Observation Period, the SONIA reference rate is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA reference rate shall be: (i) the Bank of England’s Bank Rate (the “**Bank Rate**”) prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA reference rate to the Bank Rate over the previous five days on which a SONIA reference rate has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions but without prejudice to Condition 4(j), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Interest Commencement Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

If the relevant Series of Notes become due and payable in accordance with Condition 10, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified in the applicable Final Terms, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Note remains outstanding, be that determined on such date.”

- (ii) *The penultimate sentence of Condition 4(h) (Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts) shall be deleted and replaced with the following:*

“If the Notes become due and repayable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall, save in the case of Compounded Daily SONIA for the purposes of Condition 4(c)(ii)(B)(aa), nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires.”

- (iii) *Condition 4(j)(vi) (Survival of Original Reference Rate) shall be deleted and replaced with the following:*

“Without prejudice to the obligations of the Bank under Condition 4(j)(i) to (iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(b), Condition 4(c)(ii)(A), Condition 4(c)(ii)(B)(z) or Condition 4(c)(ii)(B)(aa) as applicable will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(j)(iv).”
