Presentation Conference Call

For the **live call at 9.30am** please pre-register [here](#)

Once registered you will be provided with the information needed to join the call, including dial-in numbers, passcodes and the opportunity to save this information to your calendar. This gives you immediate access on the day. You will still be able to join the call using the details below, however it will take longer than usual for a BT operator to connect participants and therefore advisable to dial-in at least 15 mins ahead of the call.
