

Halifax mortgage rate decision

- **Standard Variable Rate (SVR) reduced by full 0.50% to 4.00%**
- **Full 0.50% reduction passed on to all existing tracker mortgage customers**

Following today's decision by the Monetary Policy Committee to reduce the Bank of England Bank Rate by 0.50% to 1.00%, Halifax announces it will pass the full 0.50% reduction on to existing tracker mortgage customers from 1st March 2009. Halifax will also reduce its SVR from 4.50% to 4.00% at the same time.
